Introduction

The remarkable ministry of William Branham was the response of the Holy Spirit to the prophecies of the Scriptures in Malachi 4:5,6, Luke 17:30, and Revelations 10:7. This worldwide ministry has been the culmination of many other Bible prophecies, and a continuation of the working of God by His Spirit at this End time. This ministry was spoken of in the Scriptures, to prepare the people for the Second Coming of Jesus Christ.

We pray that the printed Word will become written in your heart as you prayerfully read this message.

While every effort has been made to provide an accurate unabridged transcription, the English audio files are the best representation of the sermons spoken by Bro Branham.

One here tonight. He promised it would be. I believe that that same angel anoints us, because it was God. Do you believe it?

¹⁷⁵ All right, Sarah, in here somewhere, you speak to God. I'm convinced, sister. I'm convinced, brother. I know it's the truth. Certainly is.

¹⁷⁶ There's a lady sitting behind me. She got a heart trouble. She's sitting right behind me. I don't know her. She's standing in front of me. She's a middle-aged woman. She's not from here. She's from Virginia. Mrs. Stocks, Jesus Christ makes you well. She's sitting right in here. This is her right here. Believe? Do you believe? "If thou canst believe, all things are possible."^{MARK9:23}

¹⁷⁷ What do you think about it, lady? Are you and I strangers to one another? You believe me to be His prophet? You do? You have a head trouble. That's right. Your name is Mrs. Moore. If that's right, raise your hand. Go home and be healed.

¹⁷⁸ Are you believing? Now someone appeared before me here; here it is-someone. It's a woman. She's got cancer on the breast. Mrs. Rhodes, believe on the Lord Jesus Christ. I don't know the woman. God knows her. "If thou canst believe, all things are possible." That's right.^{MARK9:23}

¹⁷⁹ A man sitting yonder praying, from Tulsa. Mr. Harwood, believe on the Lord Jesus Christ. Go, be made well. Have faith. I don't know the man; never seen him in my life. We're strangers, but that's right. Why? He touched something!

Are you convinced? Are you convinced that God keeps His Word?

¹⁸⁰ If you are convinced... How many of you have a need? Now, surely as the woman thought at the well... Ask these people; go talk to them where... I see another one; yes, another one. Listen, see if it's right or not.

¹⁸¹ Now, it's circling the building. The whole building's anointed, the whole place. I'm convinced that the presence of Jesus Christ will heal every person here. Are you convinced the same? Are you convinced I tell you the truth? God vindicates I'm telling you the truth? Then I command that you stand to your feet and accept your healing in the name of Jesus Christ! If you are convinced, raise your hands up to Him and give Him praise.

¹⁸² Heavenly Father ... the Holy Ghost fill this building till they're convinced that Satan is defeated, in Jesus Christ's name!

Satan, come out of this place! We are convinced that this is Jesus Christ [unclear words]. And it shall be done.

Concerned And Convinced

¹ Thank you, very much, Brother Parker. Good evening, friends. It's good to be here tonight again. And I guess you're tired sitting listening at me, and I got so tired ... hoarse, a little hoarse from preaching so hard. I'm just talking to Brother Parker there and telling him that I believe this is one of the best meetings that the Lord has let me be in for a long time. It hasn't been big, you know what I mean, but ... not too big. There hasn't been too many attending it, but the quality of it has been wonderful. Faith? My, looks like anything could happen! I like that kind of a meeting where you just feel like that just anything can happen at anytime. And I like that. And I'm sure there'll be a lasting results, and it'll show itself up.

² I certainly admire your all's patience sitting and listening to me preach for hours! And then come back the next night. You sure can stand a lot of punishment! So I know you got a lot of good patience.

³ So we are... I want to say for all of us that we are grateful to you. Brother Thomas-I just can't express my feelings for Brother Thomas. I thought I knew him, but I had him mixed up with someone else. I got to shake hands with his precious, little wife, and really servants of Christ. And I certainly hope that, God willing, that our paths will cross many more times in life.

⁴ If I was you people and lived around here, his church would be the place I'd be going. So I like a man that ... [Brother Parker thanks Brother Branham for his compliments and asks the people if they would like him to come back again.] Thank you. Thank you, very much. That is really nice. Thank you, Brother Parker.

⁵ I'm so very ... [Brother Parker speaks again.] He said all the expenses was paid and everything. We appreciate your all's fine cooperation and help, because, you know, it does cost to have these conventions. And so everything is paid up. That's very fine! We're just thankful everything in and above... The Lord has saved, healed, and everything's taken place. So we're just happy to be seeing this ... hate to see this meeting go into history, but it will come up again way back in the times to come, we'll see the results.

⁶ Now, we want to thank everybody again for ... I want to, for little gifts that you sent to me during this time. I appreciate that very, very much.

⁷ And now we're going now down to visit Brother Bigby at South Carolina, Columbia ... Columbus, South Carolina. And we're to be there tomorrow night and Tuesday night with Brother Bigby. Then we're going over to the west coast.

⁸ I want to ask you... Then from there, I suppose, after we finish up this campaign up there, I want to go to Africa, Australia, New Zealand and through there. Can I solicit your prayers for me that God will help me? And thank you very much.

⁹ And we are very grateful for all things. I say that for myself and for

the people that's here from the Tabernacle. I've got ... or some of our trustees here and deacons and some of my friends from down there.

¹⁰ Our pastor is here. I've never been able to see Brother Neville. I guess he's been introduced, has he? Brother Neville? Where are you, Brother Orman? I just can't make you out there. Oh, my! Back there just as big! Come up here a minute!

¹¹ This man I know to be a true servant of Christ. He was a dyed-in-the-wool Methodist and then received the Holy Ghost. Now he's a Holy Ghost Methodist.

¹² This is our precious pastor. I want to shake your hand, Brother Neville. [Brother Neville responds.] Thank you, brother. I've knowed Brother Neville for years and his lovely little wife even before they were married. And the years that I've knowed him, he's never changed one bit; only just went higher in God. That's all. But he's dependable. We love him now as a pastor. He's been there for years, and we hope he stays till Jesus comes, if it be the will of the Lord. And would you just like to say a word to the people, Brother Neville? [Brother Neville greets the people.] God bless you, Brother Neville.

¹³ Now you know, when you go on a picnic, if somebody stuck out a little tree somewhere, well, you can't ... you don't know whether it's still there or not, see, 'cause it's just set out, stuck out or something. But when you know there's an old oak that's just stayed steady, you pretty well can think about getting under that tree and resting. That's Brother Neville, just the same every day, just going right on. So I'm so glad for that.

¹⁴ We have a... I have another brother here, a little ... a pastor of one of the sister churches of our church down there, if he doesn't come up, I would like for him to stand up. Brother Junior Jackson, another Methodist filled with the Holy Ghost. Junior Jackson, where are you? Brother Junior Jackson, a Methodist filled with the Holy Ghost. Here he is right here, Brother Jackson. You want to say something, or anything you want to say? All right.

¹⁵ Another one here is Brother Palmer. Another one of our brothers here. Would you just stand up, Brother Palmer? A pastor from down in Macon, Georgia is one of our friends. And Brother Fred Sothmann, I know he's here. He's one of our trustees at the church. Where are you, Fred? Somewhere in here-standing back in the back.

¹⁶ Brother Banks Wood-where you at, Brother Banks? He's one of our other trustees-over here. Brother Banks was a Jehovah Witness, you know. He came into the meeting, and he had a crippled boy, David, his leg drawed up from polio. And I was in a tent meeting, and first he had saw the... He was there at Dallas the night ... or, Houston when the Holy Spirit came down in that form of that light, and they took the picture of it. Brother Wood was there. So, I didn't know him then. And so he got enough money together. (He's a contractor.) He come up to the next meeting (I went overseas from there)-went to the next meeting. He

fire that was with Israel in the wilderness, is the same pillar of fire with the church today. Glory!

¹⁶⁴ I'm convinced it's right! I've give my life for it! I've left home and everything else; give everything for it! This is the truth!

HEB13:8

¹⁶⁵ I'm convinced He's here now! I'm convinced that this Spirit that's here now is the Holy Spirit! I'm convinced that we're baptized into His Spirit right now! I know it's the truth. I'm thoroughly convinced that Jesus Christ is the same yesterday, today, and forever. I'm convinced, perfectly convinced.

¹⁶⁶ That angel met me up there and told me what he did. I stood before heathens by the thousands and tens of thousands. You say, "Aren't you afraid?" No, sir! I'm convinced that it come from God! I'm convinced because it was Scriptural! I'm convinced that it's the angel of the Lord. I believe it with all that's in my heart. I'm convinced if we would ask God for anything, He'd give it to us. You're just scared. Don't be scared. He's here.

¹⁶⁷ I'm convinced that that very Spirit that you feel, the Holy Spirit that is moving in us; I'm convinced that that's Christ. Amen!

¹⁶⁸ I'm convinced that right now, that this is what I'm looking at, this circle of light before me, I'm convinced that's the Holy Spirit! I'm convinced that vision is over my eyes! I know it is. Amen! I challenge every devil in the world this hour! He's God. Christ is not just a prophet, He is God, nothing short of it.

Let's bow our heads just a moment. I just can't preach no more-such an anointing! [Blank spot on tape.]

HEB13:8

¹⁶⁹ Blessed be the name of the Lord. Thoroughly convinced that He's Jesus Christ the same yesterday, today, and forever.

¹⁷⁰ Heavenly Father, I'm convinced it's You. I pray, God, that as I leave this platform tonight that You'll do something special. Prove to the people once more that it's You. I commit this audience to You; Lord, we're in Your hands. Do with us as You see fit. In Jesus' name. Amen.

¹⁷¹ Something happened. I'm convinced that God is here.

¹⁷² Did he give out prayer cards? Any prayer cards? No. We don't need them. I'm convinced that He's here. You believe it? If you're thoroughly convinced, say, "Jesus, I touch You with the feeling of my infirmities. I believe that Brother Branham has told the truth. He's just a man; You're God. But I believe he told the truth because it's the Word. Let it happen, Lord. Let him speak to me and tell me. Make me convinced."

¹⁷³ Here it is already in the meeting. That lady sitting there, she is praying for a nervous condition. Her little girl with her, retarded. Going to believe it? Sick mother at home. Have faith; don't doubt! You can have what you ask for.

¹⁷⁴ I'm convinced that the same angel that come down in the form of a man and talked to Abraham with His back turned to the tent, is the same

United States here. She sure will.

MATT12:24 LUKE11:31

¹⁵⁶ You know, Jesus said, “The queen of the south shall rise in the judgment, condemn them, ‘cause she come to hear a gift of wisdom [what Solomon had, a discernment].” And said, “A greater than Solomon is here.” Sure. But still the people wouldn’t believe Him. Sure.

¹⁵⁷ She was convinced, and she wanted her people to be convinced. See, after she was convinced, then she got concerned about her people! She knew that that was Messiah. She knew that’s what the Bible said would happen when Messiah come.

JOHN4:25

She said, “We know that Messiah, which is called the Christ, when He comes He will tell us them things. But You must be a prophet.”

JOHN4:26

Jesus said, “I’m Him.”

¹⁵⁸ There she was convinced because she knowed the Scripture said so, and here it was. She was convinced, then she was concerned. She went to tell somebody else.

MATT26:61 MARK14:58 JOHN2:19

¹⁵⁹ Now, Jesus was convinced that He would raise up on the third day. He was so convinced, He said, “You destroy this temple, and I’ll raise it up the third day.” Why?

PSA16:10 MATT26:61 MARK14:58 JOHN2:19 ACTS2:27 ACTS13:35

¹⁶⁰ David, in the Scriptures, under the inspiration, a prophet-David was a prophet, you know. David, under inspiration, prophesied and said, “I’ll not leave His soul in hell, neither will I suffer my holy one to see corruption.” And He knew that sometime, within seventy-two hours, before corruption set in that body, He would raise up. Seventy-two hours is three days and nights. He said, “Destroy it, and I’ll raise it up again.” Thoroughly convinced (That’s right!) that He’d raise it up again. He knowed the Scriptures can’t fail. Hallelujah!

HEB13:8

¹⁶¹ I’m convinced that He’s the same yesterday, today, and forever! I’m convinced in the ministry and the message I’m preaching! I am convinced that it’s the truth! I’m convinced that these visions come from God! I am convinced we are living in the last days! I am convinced that this very Spirit that’s on you now is the Holy Ghost! Glory!

¹⁶² I’m thoroughly convinced! I’m convinced that the Holy Ghost way is right! I’m convinced that the Bible way is the truth! I’m convinced that this is Jesus Christ here now! I’m convinced if we believed Him at this minute, I’m convinced that He’ll heal every sick person in a moment, in a twinkling of an eye! I’m convinced He’d pour out the Holy Ghost upon here till there’d be such a shout till, hard to tell what would take place. I’m convinced!

¹⁶³ I believe it with all my heart!-not because I’m an old man; I preached this when I was a kid not over twenty years old. I’ve been convinced since that day He met me on the river! Hallelujah! I’m convinced that He’s here now! I’m convinced that that pillar of fire is the same pillar of

had his crippled boy, with polio. And while we were . . . I was standing there under the anointing of the Holy Spirit (goes back across the crowd), spoke to him; told him all about it; told him to stand up.

¹⁷ David, where are you at? Are you here tonight?-the boy that was crippled. That’s him. David, if the people don’t believe that God can heal a man that’s got his leg twisted up with polio and things, I wish you’d just walk out there just a minute and show them how you can walk. You’re just a . . . not to make a public show, but just a testimony, see. Not even a limp or nothing else, perfectly normal and whole. It’s really wonderful what our Lord can do.

¹⁸ Now if He’ll do that for him, why He’ll do it for someone else. Sure! It’s just if we can get that type of faith.

¹⁹ And now, ‘course, all of you are acquainted to know Brother Ben down here. He’s just . . . you know, this man that you can hear above everybody saying, “Amen!” I tell you a little. . . I hate to say this on him . . . his wife sitting there. We all love Ben. And it was before he was married. I was out on the west coast (and that boy is from Southern Indiana).

²⁰ I was out there on the west coast just preaching away one night up in San Fernando Valley with the Baptist people. Big tent full of people. . . Now, they’re kind of refined people, you know. And I was just preaching away. Directly I heard a squall; black shock of hair a-shaking like a Mexican; two big feet sticking up in the air and hands like that. I stopped, and I said, “Ben, where in the world did you get out here?” There he was. God bless you, Ben. You no more than just stand up. . . Just stand up, you and your wife! We’d just like for the people to . . . Brother Ben. That’s who’s been making all the amens down here in this corner here. God bless you. Amen! God bless you.

²¹ Brother Way, another missionary, trying to get his way over into the mission fields. He’s with us tonight. We know him. He has been sojourning down our way for a while. Where are you, Brother Way? Are you in the meeting? Right here . . . and his wife.

²² And now I tell you, the war between England and Norway is settled. He’s an Englishman, and she is a Norwegian. It’s all over. Lovely people. Yes, sir, the war is all over.

²³ Brother Boze was down the other night showing his picture, and saying, “Oh, well,” he said, “there’s a woman . . .” that’s sister Sothmann. (Wish I’d have had her to stand up with Fred in here somewhere. Lovely people. And she’s a Norwegian. Of course, Brother Boze is a Swede.) And he said, “Uhm, uhm,” (you know how Joseph does), said, “There’s a lady here, a sister,” said, “she’s a Norwegian.” Said, “‘Course, if you cannot be a Swede, it’s good to be a Norwegian.”

²⁴ Got outside, he looked over at me, and I said, “‘Course, Joseph, it’s too bad that we all can’t be Irish.” I said. . . So we all have a sense of humor down there.

²⁵ Brother Higginbotham, where are you? He's around here somewhere. Another godly man from down our way. One who was a trustee of the church down there for years and years. And his friend, Sister Arganbright, Sister Ruth Arganbright. Right here. I believe she is sitting out here in the aisle. Stand up! How many knows Minor Arganbright, one of the vice presidents of the Full Gospel Businessmen?-a cousin to him.

²⁶ Oh, my, if I miss any of you folks... I'm proud of you, every one of you. I'm glad you're up here with us. We don't know ... going in and out... Brother and Sister Dauch sitting there, too; and Sister Brown; Brother Brown; Brother McKinney, another Methodist preacher with the Holy Ghost. Where are you, Brother McKinney? Where are you around here? He's from up in Ohio. Here, way back here. Another full-fledged, born-in-the ... shook-out Methodist. That's right. Now, baptism of the Holy Ghost ... moving on for God.

²⁷ Pat Tyler, another bosom friend of mine sitting over here. Brother Pat, stand up! You all might know Pat Tyler. Thank you, Brother Pat. God bless you. He was an outlaw, a gunman, killer. God saved him and made a saint out of him ... hitchhiking across the country to follow the meetings and things.

HEB11:37,38

²⁸ You know, I think of these people that ... where they come from, I think of Hebrews the 11th chapter, "...were sawed asunder and wandered about in goat skins and sheep skins, of whom the world was not worthy of." They all bear their testimony.

²⁹ Tom Simpson-where is Tom? Did he come up? I thought I seen his car out here. Him and his family... I thought he was here. Maybe I was mistaken. Yes, bob up and down like a bite on a fishing line out there, "Boomp-boomp!" like that. All right.

³⁰ The Lord bless you all. We're happy to be here. Here's others from Georgia and different places. And we're happy you're all here and to meet of our old friends.

³¹ Am I looking at Sister Peckinpaugh from Chicago? I thought I was. And Sister Little, and ... (next to her) and Sister D'Amico-precious darling people from Chicago, that group of women that's been very dear to me, and others sitting here.

³² The brother (I can't even call his name) from down in Georgia somewhere. I ... oh, back ... oh, my, they're just like all stuck around here. We're glad to be in this fellowship.

³³ Old Brother Bosworth used to tell me, he said, "Brother Branham, you know what fellowship is?"

I said, "I think so."

Said, "It's two fellows in just one ship." So there we are, but we have fellowship. The Lord be gracious unto you.

³⁴ Thank you for all that you've done. And I'll put one of these ... this meeting down on my list as one of the red marks of my days of ministry,

When she'd seen that scriptural sign, that she knowed what Messiah was going to be... As I said this morning, that predestinated life laying there, and as soon as warm waters poured there, cool waters rather, poured down upon that Word of life that God had predestinated from the foundation of the world, she seen it [snaps fingers] quickly as that. When there's ministers there didn't see it; priests that didn't see it; high priests didn't see it; great clergymen didn't see it ... called it devil. And that poor, little harlot out there, God had predestinated that from the foundation of the world. If you're ever there, you were, too.

MATT24:24 MARK13:22 REV17:8

¹⁴⁹ Now, the Bible said in the last days the antichrist would be so religious and so much like the real thing till it would deceive the very elected, if it was possible. But it's not! That's right! And all ... he would deceive all upon the earth whose names were not written in the Lamb's book of life-since the last revival? That don't sound like the Bible, does it? From the foundation of the world! You ain't going to deceive them because they're laying right in that Word. When they see those things appearing it's life, they catch it right now.

¹⁵⁰ Others will walk around and say, "Ah, there is nothing to that." See, they're not convinced. There's nothing there to convince them, nothing in them to believe with.

¹⁵¹ Mother used to say, "How can you get blood from a turnip when there's no blood in it!" That's right.

JOHN10:27

¹⁵² "My sheep hear My voice." They know the Word. What is His voice? Here it is. These creeds they don't follow, but they hear My voice; they follow it.

JOHN4:25

¹⁵³ The woman at the well was thoroughly convinced, then she was concerned that her people would also see that sign and believe it. After she was convinced that that was the Messiah, because He told her where her trouble was, she said, "Sir, we know when Messiah cometh, He'll do that."

JOHN4:26

He said, "I'm Him."

¹⁵⁴ She knowed a man that could do that thing would certainly be telling the truth. Oh, my! Yes, a man that God would use in that manner wouldn't lie! That's right. He'll tell you the truth.

JOHN4:26

Said, "I am He."

JOHN4:29

¹⁵⁵ And she was so thrilled when that light broke through on that Word, she ran into the city. She was thoroughly convinced-whether she was supposed to or not. She ran into the city and told them rabbis and priests and all the men in the street, the market man; and up the other grocery and up and down the street she went testifying, "Come see a man who told me the things I've done. Take your Bible; look in the scrolls; isn't that the truth that that's the very Messiah?" She was convinced! She'll rise up in the judgment and condemn thousands of people out of the

wonderful?

MATT9:18 MARK5:23,35 LUKE8:49

¹⁴¹ Jairus, with a corpse in his house; his only child, twelve years old, a little girl. The message come, “Don’t trouble the Master, because she’s already dead.” And Jesus said... First, he said to Jesus, “My little girl is even now dead, but I’m convinced. [Hallelujah!] Come lay Your hands on her, she’ll be all right.” Convinced? He had heard of Jesus. He knowed His Works. He was a secret believer down in his heart. He believed that that was the Son of God. He was thoroughly convinced it was.

MATT9:18 MARK5:23

¹⁴² You know, isn’t that strange? God forced him to the issue. God knows how to force you. Right. Sometimes He gives you sickness and everything else just to force you to it-show your color, what you are. Forced Him. Jairus was forced to believe it. So then he showed what he was. Said, “If you’ll come lay Your hands on my girl, though she’s dead, she’ll live.” Oh, my, I like that! I think Martha said the same thing. Jesus was convinced of it, too.

MATT8:9 LUKE7:8

¹⁴³ The Roman soldier, the centurion, he was convinced if he could only get Jesus to say the Word. Listen to that soldier, a Roman, Gentile, heathen. He said, “I’m a man under authority. I say to this man, this soldier, ‘You go here,’ and he goes. And I say to this one, ‘Come,’ and he comes.” Why? He was over him. What was he testifying? “Jesus, You’re over all diseases. You’re over it all. If I can just hear You say the Word, my servant will live. I’m thoroughly convinced.”

MATT8:8,10 LUKE7:7,9

¹⁴⁴ And then after all of that, we still don’t be convinced, see. What was it? Jesus said that was great faith. He didn’t find that in Israel. “Just speak the Word.”

MATT17:20 MATT21:21,22 MARK11:23,24

¹⁴⁵ Here it is right here: “When thou prayest believe that you receive what you ask for, and you shall have it. If you say to this mountain, ‘Be moved,’ and don’t doubt in your heart, but believe that what you’ve said will come to pass, you can have what you said.”

ISA53:5 1PET2:24

¹⁴⁶ Then confess! What? “By His stripes I’m healed; by His grace I’m saved; by His promise, I’ll obey and I shall be filled with the Holy Ghost.” There you are! If you’re convinced that He keeps His Word, but first you’ve got to be convinced.

MATT9:21 MARK5:28 LUKE8:43,44

¹⁴⁷ The woman with the blood issue, she was convinced. No matter what the rabbi said, and what the priest said, and what her husband said, and what anybody else said, she said, “That’s a holy man. He’s the Son of God, and if I can touch the border of His garment, that’s all I have to do. I’m convinced I’ll get well.” Though the doctor says, “She can’t get well,” but she said, “I can get well if I can just touch the border of His garment.” She was convinced.

¹⁴⁸ The woman at the well was convinced that He was the Messiah.

for your fine cooperation; these fine brothers and sisters and everybody and so welcoming, feeling just at home, till I’ve preached myself hoarse.

³⁵ Now, Brother Ned Iverson is going to continue the services after me down at Columbus now with Brother Bigby. Brother Ned, are you in tonight? I don’t know whether... Yes, back in the back. A Presbyterian filled with the Holy Ghost.

³⁶ And Dr. Lee Vayle and his wife; precious, darling friends of mine. Brother Vayle has worked with me in the meetings-a precious friend. I guess these men has been all introduced and things. Are you here, Brother Vayle? Are you in the building tonight? Back at the back. The Lord bless you. Sister Vayle, where are you at? I no more than got to wave at you. God bless you, sister. We’re so happy to have them all here.

³⁷ And you all pray for me now. And I’ve ... just moving on by faith, believing that most anytime we might see the coming of the Lord. I don’t know just how, when, where, but I want to be ready when He comes. And sometimes I might think it might be this a-way, and might be the other way. But anyhow, I want to be there when He comes. I want to go with Him, that’s my ambition. And not only do I want to go; I want all my friends and I want all my enemies to go, too. I want everybody to go.

³⁸ When I had the little vision, or ... I don’t want to call it translation. I never had a vision like that. I was standing up there looking at it, looking back at myself-here recently. Many of you read it in the magazines and things. Friends, you can’t afford to miss that! Just don’t do it!

³⁹ Now, there’s somewhere there. I was there just as I am here, looking back at myself. And I’ve had visions; I know what visions are. If that was a vision, it was the strangest one I ever had. And I seen the people, the ones that’s gone on. I seen them there. The old was young, and they were standing there, human beings just like I am, only without sin. It was beyond perfection-sublime. You just couldn’t mention what it was. And when I knew that I had to return back... There’s only one thing that I would return-to try to persuade people; whatever you do, don’t miss it! Don’t miss it! Don’t miss it! You can’t afford to miss it! Everything else... Let everything else go, but make ready for that, see, whatever you do!

⁴⁰ I’ll be going in the mission fields now, if the Lord willing, this winter, when I get back off these trips. So be in prayer for me, because here it is easy. Once in a while you see a foul spirit come into a meeting and try to disturb, but in them places-that’s witch doctors and devils. You’d better know what you’re talking about. Certainly had! Because they’re demons, and they’ll challenge you right down. But oh, how... Not one time. (I say it with my hand here with my Bible.) Not one time-and you can imagine how many times around the world it’s been challenged-but what God moved in on the scene and pulled the curtains back and showed Himself, God, just the same as He was in Elijah’s time. He’s still God! Not one time!

⁴¹ That’s the reason I ... some of you ... some ministers come and

asked me to come to their places. I wait till I feel led to go. Then if I come, I'm just coming in my own name (if I come like that), just to be your friend. But when I feel led to come, then I can come in the name of the Lord Jesus. Set your feet off that plane, she belongs to you. Amen! I take it all over in the name of Jesus Christ. Then you're to meet Him out there then, because you are God's ambassador then. But, out in some church, things here, some friends calls for you, or something, you're just going presuming again. My, presuming, I guess you're tired listening to that!

⁴² Now, let's turn in the gracious, old Bible. And before we do that, let's pray. See, we're talking and so forth, and now let's center our minds around Him now for the next few minutes.

EPH1:3 EPH2:6

⁴³ Our heavenly Father, we were thanking the people for their kindness and their great, generous feelings towards us, and how we appreciate them. And now, Father, we want to thank You above all. For it's You, Lord, that's did this. It's You that's blessed us and let us sit together in heavenly places in Christ. Satan would've disturbed and have ruined our meeting, but You just loved us so good, till You just let us all gather together and have fellowship around the Word. We so appreciate it, God. Even though being a little hoarse from strain of voice, Lord, I've just had such a wonderful time, feeling Your Spirit blessing my soul, the Word ... just not wanting for a thing, just flowing like rivers till I just have to sit down. God, I'm so grateful for that.

⁴⁴ And may our Brother Parker and all of his staff and this place that invited us, Lord, may they be blessed. Give them thousands of souls. Here when they pray for the sick; hear their prayers, Lord, and heal the sick. And when they are trying to do something in Your name, honor it, Lord. Give to them the fruit of the Spirit. And give them the great desire of their heart, Lord-souls for their hire. May on that day, when we stand there before You, may the souls come from everywhere, throwing their arms around this precious, godly man and his staff: "If he hadn't have stayed on the field, Brother Parker, we wouldn't be here." Oh, God, we know that is the sincere desire of any true servant of Christ ... know that they can lead poor, lost human beings to a saving Christ.

⁴⁵ Thank You for it all. And now, Lord, we pray now that You will bless each one, and bless the meetings coming up everywhere. Go with every home. Be with them as we leave tonight to go to our different homes. Be with us on the road. Stay on the wheel. Keep the enemy away from us, Lord. And I pray that You'll grant these things.

⁴⁶ Now, give us the desire of our hearts, every request tonight. And mine is, Lord, that You will break the bread of life to us again tonight.

⁴⁷ If there is any here not saved, save them; any needing the Holy Spirit and the baptism, may it come tonight; any sick, heal them; any weary, give them joy. Grant it, Lord. Bless Your Word now as we read it, and may the author give us the context. We ask in Jesus' name. Amen.

Zipporah sitting on a mule, little Gershom on her hip, beard hanging down like this, eighty years old, bald head shining to the sun, a crooked stick in his hand a-shouting, "Hallelujah!"-going down to Egypt to take over!

¹³⁵ Yes, it may make you act strange. It might have made him act strange, but he was convinced. Why? "I'm going with you, Moses. I'm going to take this stick that's in your hand, and I'm going to deliver My people."

¹³⁶ Now a little, old, crooked stick didn't look very much, but brother, he was convinced, because the Word of God was with it. You know God's Word's with you and in you, you can be convinced.

¹³⁷ The Hebrew children: they were convinced that He was able to keep His Word. Yes. As long as they would stand on it. . . God told them not to bow to idols. That's just exactly what God meant. And they knew that if they did not bow down to that idol, that God was able to keep His Word. They were convinced that He was. And then when they were convinced about standing with His Word, God was concerned about standing with them.

¹³⁸ When you're convinced that this is the Word of God, God's concerned to take care of you with it. Tried it through the foreign fields and everywhere. When you're convinced that it's right-but you've got to be convinced-then God will be concerned with you. But first, you must be convinced that it's Him, and He keeps His promise; then God's concerned.

JOHN11:21,22

¹³⁹ Martha was convinced that if Jesus asked God, it would happen. She said, "I don't care what any of the rest of them thinks. I don't care even if my sister Mary don't believe it. I don't care what the rabbi says. But Lord, if You'd have been here, my brother would not have died." And she said, "Even now, I'm convinced if You ask God, God will give it to you. It'll happen. I'm going right down and roll away the stone. I'm going to make ready for it. I'm convinced." Sure.

I remember my father, back in Kentucky years ago; the crops was all burning up, and the old circuit preacher come through, and he was a dandy old man. When he went on his knees, he stayed there till something happened. That day they all wanted to pray for the rain to come. Pop said when that old man went on his knees, and he seen them old shriveled-up hands went up in the air, he said, "Oh, God, I have served You. These people are Yours, and their crops are burning." Pop said he slipped out of the church, and went out there and took the saddle off his mule, throwed it under the church, 'cause he knowed the rain was coming. Convinced? Yes, sir! Then he was concerned about his saddle. After you get convinced. . .

JOHN11:21,22

¹⁴⁰ Martha said, "If You'd have been here, my brother would not have died, but even now, whatever You ask God, God will give it to You." That's right. "It's going to happen, if You'll ask God." Isn't that

¹²⁷ David, when he come up to Saul's army, Goliath on the other side... David was the smallest man in the bunch; Goliath was the biggest. Saul would have been more of a match. Saul was about seven foot, I guess, or better, maybe eight, head and shoulders above every man in his army. And David was the smallest man there, and he was the only untrained man there. But brother, he was convinced. Glory! Say, "You act like you're drunk." I am!

1SAM16:12 1SAM17:42

¹²⁸ Notice, he wasn't trained. He had no spear, he knowed nothing about... and he was just a little, ruddy guy; but he was convinced, and he was concerned about an army that called themselves the army of the living God. And he was convinced that God, who had helped him with that slingshot to kill a lion and a bear, could certainly take that uncircumcised Philistine out of the way. He was convinced. Then he gets concerned about the army.

¹²⁹ No matter how much he's got... If you're convinced, then you're concerned, but you got to be convinced first. So he was convinced.

2SAM5:23,24

¹³⁰ I remember one night, real hot night, spooky all around, going to war. Oh, the odds was way against him. And he prayed. He was laying out there under a mulberry tree. The army was already ready out there to meet him. He laid under this mulberry tree, and after a while he heard something coming. It went on through the mulberry bushes and went on out the other way. He was convinced, Brother. No matter what the odds were, he was convinced that God went on before him.

PSA103:3

¹³¹ Man, if you can stand here tonight, no matter what's wrong with you; if you can feel that rushing wind of the Holy Spirit coming through you and saying, "I am the Lord that heals all your diseases; I heal you now." If you can be convinced, brother, you don't care what the contact is out there, you already know it is going to happen! Certainly. He was convinced and then he was concerned.

JUDG15:15

¹³² Samson standing before the Philistines with just a jawbone of a mule in his hand, he wasn't even armed. But he was convinced that the God that had raised him up was able with that jawbone of a mule to kill these Philistines; and he slew a thousand.

EX3:12

¹³³ The runaway prophet, Moses. When Moses got convinced that it was God in that bush... You know Moses never had any experience with God. He had a lot of theology, but he'd run away. But when he was convinced that that was God in the bush-because the voice spoke from the bush quoted Scripture to him, and he was convinced that that was God. And God said, "I'll be with you," you know, he had lost all concern about the burdens in Egypt. He'd been out there forty years, them slave away, but when he was convinced that it was God's will to deliver them, he got concerned right the next day.

EX4:20

¹³⁴ Here he goes down the road. Could you imagine what a sight: with

⁴⁸ St. John, 1st chapter, 35 to 41. Like to read these precious words.

And ... Again the next day after Jesus stood, and two of his disciples; [Pardon me] ... after John stood, and two of his disciples;

And looking upon Jesus as he walked, he said, Behold the Lamb of God!

And the two disciples heard him speak, and they followed Jesus.

Then Jesus turned, and saw them following, and said unto them, What seek ye? They said unto him, Rabbi, (which is to say, being interpreted, Master,) where dwellest thou?

He said unto them, Come and see. And ... They came and saw where He dwelt, and abode with him that day: for it was about the tenth hour.

One of the two which heard Jesus or John speak, and followed him, was Andrew, Simon Peter's brother.

He first finds his own brother Simon, and said unto him, We have found the Messiah, which is, being interpreted, the Christ.

And he brought him to Jesus. And when Jesus beheld him, he said, Thou art Simon the son of Jona: thou shalt be called Cephas, which is by interpretation, A stone.

Now may God add His blessings to this Word.

⁴⁹ Now, I want to draw tonight, if the Lord willing, for a little... for a word, two words I want to use out of there. The two words I want to use is concerned and convinced.

⁵⁰ Now, as we know-and we all do-that we are now seeing a great cooling off around the nations. I first started out there was a lot of tinsel on the meetings. People were in prayer meetings everywhere. Criticize... Papers criticized me. One woman drove three thousand miles in a taxicab just to get to the meeting in Canada. They're not that concerned anymore. Seems like that there's become a falling away. And seems like there's not much concern-not too much anyhow-not as much as there should be... very little concern.

⁵¹ Now, about the only concern that we have is not... them all night meetings when I stayed at the platform once for eight days and nights without leaving, trying to pray for all the people; and at the end there were forty something thousand people waiting to be prayed for, see. Couldn't do it! But they would take a group this a-way and go into the woods; they'd take a group this way and go to the woods-ministers, praying the people through to the baptism of the Holy Ghost. Just couldn't rest until they received the Holy Ghost.

⁵² Beg your pardon. I said forty-two thousand; I believe if you look at it in the magazine there was twenty-eight thousand, it was, that was still waiting. For miles around Jonesboro there wasn't even a place that you could rent, and tent cities up and everything. They're not that concerned

anymore. See, the revival fires are dying down!

⁵³ Concerned is now, “Just come and join the church!” Or a great concern is support some radio mission or some television affair, and making it some kind of a show (and for the good, of course, sure); big buildings, building great schools, and so forth like that! It seems to be that is the concern now. Kind of lost the vision of that prayer and constraining and like they used to have. There’s something has happened. I would just like to know what it was!

⁵⁴ And now they don’t seem to be concerned about. . . You can visit this church or call for people to come to the altar, and it used to be they’d just run to the altar. And I’ve seen the time while I was preaching; before I could even get my sermon finished, the altar and up and down the aisles would be lined with people. I’ve seen the time that the Holy Spirit would move out into the audience and predict and tell somebody something, and the people would marvel and just faint right in their seat.

⁵⁵ There is something wrong somewhere! Still doing the same thing; still the same gospel! I’ve never changed a bit since I started. I just started with the naked, bare Word of God, and I stayed right on it ever since. Thirty-two years I’ve been behind the pulpit I’ve never taken anything back or changed anything; stated it just the way I started. I can’t take it back; it’s God’s Word! And if I say it just like it said here, the next time I have to say the same thing, ‘cause here is the way it’s wrote here, see! So, just can’t do nothing else about it. And the Holy Spirit is still doing the same things. So . . . but it looks like there is not enough concern. Now I wonder why.

⁵⁶ Why isn’t there a concern like there used to be? I believe the reason that if there’s not as much concern as there used to be; they’re not as convinced as they used to be. You have to be convinced before you can be concerned. Not concerned . . . you take the time now. Instead of evangelizing and trying to do something, everybody wants a great big school or a great big something that they can teach and make ministers have better pulpit manners and so forth.

⁵⁷ You know what I believe? I believe that the people is not convinced that Jesus is coming soon! I don’t believe that they’re convinced that He is coming in this age! And I believe that’s the reason that they’re not concerned, because they’re not fully convinced. That’s right. They’re not convinced that He’s with them! If they were, they would come back to the Word. Right!

⁵⁸ And now many people might misunderstand it. Love is discipline. You must discipline people, if you love them. If your little girl was sitting out in the road (as I said this morning) making mud cakes, if you really love her, you’d get her off that road.

⁵⁹ What if your wife said, “John somebody (whatever your name is), you know. . .” You just let her run out with some other man, because you said, “Bless her little heart; she wants to do it, and I just love her so much; I’m going to let her do it.” You’d be a poor excuse of a husband.

me, and I’m a different man.” Tell them how the candle got lit. Don’t wait till it burns up. Then it’s smoking by that time . . . too many of them today. Just tell them how it got lit.

JOHN9:2

¹¹⁹ The blind man that Jesus gave his sight to up there that they did such a fuss about, you remember when he passed by, the disciples said, “Who sinned, him or his mother or his father?”

JOHN9:3

¹²⁰ Jesus said, “Neither. But that the works of God could be made manifest.” And He gave him his sight.

JOHN9:22

¹²¹ Here come all of the scribes and Pharisees up. And his father and mother were scared to death, because they had already said, “If anybody listens to that Jesus of Nazareth, that prophet, you just give your letter from the church. You’re excommunicated.”

¹²² They haven’t changed it a bit-still the same thing. “Anybody listens to him or goes to his meeting, you’re just right off the church right to begin with.” They’ll rub your name right off the book.

JOHN9:19

So they went and got his father and mother and said, “Is this your son?”

JOHN9:20

Said, “Yes, it is.” Said, “We know this is our son, and we know he was born blind.”

JOHN9:19

“Well,” said, “how did he get his sight?”

JOHN9:21,23

Said, “You ask him; he’s of age.”

JOHN9:24

Said, “Give glory to God; this man is a sinner.”

JOHN9:25

¹²³ Why, he couldn’t argue theology with them. Certainly not. But there’s one thing he did know. He was convinced that he could see. Said, “Whether He is a sinner or not, I don’t know. I don’t know what school He come from or nothing about it; but this is one good arguing point I got: wherein I was once blind, I’m convinced that I can see, ‘cause He told me I could, and I listened to Him.” Hallelujah!

¹²⁴ Same thing with me: I once was blind, but now I see! I once couldn’t see this. I was a sinner. He opened my eyes. Where I was once blind I now see.

JOHN9:30,32

¹²⁵ He had a good arguing point. Sure did. So much till they couldn’t argue him down. Why? He was convinced he could see. And he was convinced that. . . He said, “It’s a strange thing now. You fellows here are the religious leaders of the nation, and you say you don’t know from whence this man comes; and here He performs a miracle on me that’s never been done in the world. That’s a strange thing.”

¹²⁶ Brother, I believe he’s a pretty good theologian at that. Why? He was convinced. He had something that convinced him. He was blind and could see.

me. He said He would do it: 'I'll be with you even in you to the end of the age. Take no thought for tomorrow, it'll take thought for itself.' "That's right. Just think of today.

MATT6:30,32 MATT10:29 LUKE12:28

¹¹¹ If God so clothed the fields and the grass of the field which today is and tomorrow isn't, and if He thought enough that not even a sparrow could drop in the street without of Him knowing about it; how much more does He know about our needs?

¹¹² I'm convinced. That's the reason you don't see me begging for offerings and this, that, or the other. I'm convinced. If I stay with this Word, God will stay with me. I'm convinced. Don't have to be given; it'll come some way. I'm just convinced. I believe it. I believe every Word He said. I'm convinced at it. I'm convinced He'll meet all the needs that I have need of. I don't have to worry about it.

¹¹³ And here he was also convinced that they didn't need a bunch of psychology and all this other stuff to take. They were convinced that those that they preached to was ... all they needed would be what they had.

¹¹⁴ That's the trouble of today. They're trying to poke other stuff into them, creeds and things like that. You've never been convinced that the Holy Ghost is right. That's all that I have need of, and that's all you have need of. That's all anybody else has need of.

MATT23:15

¹¹⁵ Was in Africa not long ago. They were trying to educate those people down there, the tribes. And when you bring them into the white man, he takes the white man's sin. Got his own sin out there in the tribe, and bring him in, he takes the white man's sin; then he is twofold child more of hell than he was to start with. There's only one thing he needs; he needs Christ! Amen!

¹¹⁶ Hudson Taylor, one time ... (You've heard of Hudson Taylor, the great missionary to China.) There was a young Indian boy, he got saved, said he had a call to the ministry, and he come and said to Mr. Taylor, said, "Mr. Taylor, should I take four years of psychology?" (and different things that he should do) "and how long will it take me to get my bachelor of arts?"

¹¹⁷ Mr. Taylor said to him, said, "Son, don't never burn the candle half down before you start out." No! That's what I think, too. Don't wait till the candle's half burnt down when some kind of a schooling is knocked into you, some kind of embalming fluid. Don't do that. But I say, as soon as the candle's lit, start! I'm not trying to support ignorance, but here's what I mean. If you don't know nothing else, tell them how the candle got lit! That's all they have to know. Tell them what lit the candle; tell them what's a-burning in there; just tell them how it got lit. Let them get lit; He'll take care of the rest of it. Certainly.

¹¹⁸ You don't have to try to go through all kinds of great words that you know nothing about to begin with and don't mean nothing after you know them, see. Just tell them, "Glory to God! The Holy Spirit struck

She ought to get rid of you and get somebody that loves her, that will take care of her. I didn't mean it that way, 'cause you can't do that.

⁶⁰ But what am I trying to get at is this, that what if God would said to Eve, "Poor little Eve, you know you're My child. You didn't mean to do that." 'Course she didn't mean to do it; certainly she didn't, but she did it! And we know she did it. We see the results of it yet. But you see, He loved her, and He had to keep His Word to her. And God's got to keep His Word to us. So we must obey His Word! And when we obey His Word and see Him then vindicate what He said He would do, then we're convinced that the Word's right.

⁶¹ Now, when we find out... We bring... Here not long ago, a great evangelist to a Mohammedan-you read it in the paper like I did. This Mohammedan challenged that evangelist that Jesus Christ ... it was a man worship; that people were following a man.

JOHN14:12

⁶² He believed in the same God as the evangelist did, but said, "Jesus is not His Son. It's just a man-made worship." And he challenged the evangelist; said, "The Bible said that the works that He did (Christ), His followers would do the same." He said, "Now, I'll bring in thirty sick people, and you bring in thirty sick people, and I'll heal everyone you do." See! And the evangelist run. He took air. And if I would have been the evangelist, I believe, if I didn't have enough faith to do it, I'd have never let that unbeliever stand there. I'd said, "I know somebody in our realms has got faith to do it!"

⁶³ Why? You've got to be convinced first that it is God. Then you know where you're standing. It's true. Convinced first, then you get your concern. Although people claim God's with them, but it's not all... Mother used to say, "Actions speak louder than words." Certainly it does. You must act it, believe it, be convinced and then you'll be concerned.

JOHN21:15-17

⁶⁴ Jesus said, "If you love Me, feed My sheep." Now, that's where I think we've failed a lot, is feeding His sheep. "If you love Me, feed My sheep." Today it's almost "shear my sheep." Get them into a place and take everything they've got, and make them pledge their home and all their old age pensions and everything else! Talk about a shearing; Jesus never said that!

JOHN21:15-17

⁶⁵ Brother Parker said this morning, "God loves His people." He loves His sheep. He said, "Feed them." And sheep must have sheep food. And He never said, "Educate My sheep." He said, "Feed them. Not educate them; feed them; give them sheep food."

JOHN6:48

⁶⁶ What is sheep food? The bread of life (Jesus is the bread of life), gospel, truth. Preach it without compromising! Then you know that when you have to answer at the day of the judgment for their souls, as a minister of the gospel, you can stand and say, "That's what was wrote in the Word." Feed them the truth. Feed My sheep!

⁶⁷ When John was so concerned that he knew that the Messiah was coming in his age... John the Baptist knew it. So he knowed that the Messiah would come in the age that he lived in, but when he come out of the wilderness, he never started no schools; he never started no colleges; he never started no organizations. Why? He was convinced that the Messiah would come in his time! His fruit, his message, his action gave witness to it. And we believe that He is coming in this age!

⁶⁸ Why do we want to hoard up big things? Why do we want to build millions of dollars in schools and buildings, and then saying Jesus is coming? Why, the public knows better than that! They know you're talking about something that you don't believe. Practice what we preach! Right. Now we must do that.

⁶⁹ John was so positive. When he was born, he knowed he was born a odd birth. We all know how Zacharias saw the angel. And that must've been a strain on the old couple. Zacharias was an aged man, and Elizabeth was an aged woman but they had believed that God would someday give them a baby. She was barren.

⁷⁰ And we know when John was born, the peculiar birth and knowing that he would be God's servant must've been hard on the old couple. For they know according to the time of life, they would never live to see that boy come into his ministry.

ISA40:3 JOHN1:26

⁷¹ And John's father was a priest. But instead of him with that calling going down to the seminary where his father come out of, he couldn't go down there. He could not take a chance on it. He just couldn't get mixed up with it, because he seen that in the Scripture, he was to be the "voice of one crying in the wilderness." He saw that he was to be the messenger that would go before the Messiah, and he must be certain of it. And he waited in the wilderness until he was convinced, and then he was concerned. He was convinced. He wanted to stay. He was so certain of it, that he would see Jesus, until he said this: "He's standing among you now. There is one among you who you don't know." Oh, I like that!

⁷² There is one among us tonight, but I'm glad we know Him! And I believe He's the one that's bearing record. The great Holy Spirit is bearing record that Jesus is coming soon, for it's according to the Word, and all the signs are being fulfilled! We are at the end time!

ISA40:3 MATT3:3 MARK1:3 LUKE3:4 JOHN1:23,34

⁷³ He didn't want to make any mistake, so he stayed in the wilderness until he was convinced that he would know what the Messiah was. And God told him what kind of a sign to look for, when he saw the Messiah. So when he saw Him and saw the sign that was supposed to follow Him, he was convinced that that was He. He said, "I bear record that that's Him." For God, who had told him and foretold him by the prophet 712 years before he was born, he was "the voice of one crying in the wilderness, 'Prepare the way of the Lord and make His paths straight,' " and the God that had foreordained him and predestinated him to the job, he waited on that God till he heard from that God. Amen! When that God

can't match him but I remember I'm living under a promise (Hallelujah!) that's already ... powers has been more than matched and conquered and cast down. I'm more than a conqueror, right now-not myself, but I'm in Him who conquered him for me! [Unclear words] after his blood, I'm part of the royal seed of Abraham. Think of it a minute, then get your ox goad! Run that devil of doubt away from you.

¹⁰¹ Yes. Said, "I can't learn to duel." If he does, that's all he knows how to do is just duel. That is all he could've talked about.

¹⁰² Today, that's the way they try to do it today. Man said, "I got a call in my life to be a minister."

¹⁰³ "Well now, son, I'll call up the bishop, and I'll find out if I can't let you go over to school, and you can learn psychology and learn all these things; and about ten years in the seminary might fix you up!" That will, sure enough! They'll fix him up so he can't never get up no more.

¹⁰⁴ What a difference than it is sending a minister today than it was at the first church. They didn't wait ten years; they waited ten days. If it takes you ten years to be convinced. . . ! They was convinced in ten days! Amen!

ACTS4:13

¹⁰⁵ You might be convinced about psychology, but you have to get "kneeology." Just ten days they were convinced, and then they were concerned about others. Some of them couldn't even sign their own name. The Bible said they were ignorant and unlearned, but they were convinced! Hallelujah!

¹⁰⁶ I don't care about the education; I'm convinced that Jesus Christ is the Son of God! I'm convinced this is the Holy Ghost! I'm convinced He's a healer! I'm convinced He's a Saviour! I'm convinced He's coming! I'm convinced this is that! I'm convinced! I believe it!

¹⁰⁷ They said, "They're convinced. Something happened." They were convinced, then they were concerned after they were convinced. They were concerned about getting His Word out to the rest of them. That was a good sign that they were convinced. They was concerned.

¹⁰⁸ They wasn't concerned about an education; concerned about whether they could say "Ah-men" just right. They wasn't concerned about what organization they belonged to or whether they had a fellowship card or not. They were convinced that all they needed was Him! And I'm the same way tonight. I'm convinced that all we need is Christ! Don't need a new mayor; we don't need new presidents; we don't need a new army; we don't need a new bomb; we need Jesus. That's all that they was convinced about.

¹⁰⁹ And they also believed that He would. . . They were convinced that He would meet everything that they had need of. Are you that convinced tonight?

MATT6:34 MATT28:20

¹¹⁰ Say, "I'm convinced. No matter what comes before me, He'll match it. No matter what comes before me, I'm convinced He'll take care of

GEN33:15

⁹³ He said, "I don't even need the help." Why? He was convinced that the God that he had a hold of could take care of him! Hallelujah! If people would just do that!

⁹⁴ If you can be convinced that the God that takes a hold of you, shakes your heart, makes you a new creature in Christ Jesus, let sickness, death or anything else come along, you're convinced He can take care ... control. Amen! I like that.

⁹⁵ Shamgar, the little fellow we talked about the other night, he was concerned about his family. Yes, he knowed they were hungry. And the Philistines came up, a thousand of them, I believe six hundred or something; I believe six hundred of them come up the road, armed men. He was concerned about his family, 'cause they'd starve to death that winter. But he stayed there thinking and studying. What could he do? He stayed there until he was convinced that God keeps His promise.

GEN22:17

⁹⁶ Now look what he could've thought: "Now here my father Abraham, of whom I bear in my body the mark of circumcision, because that I believe Abraham was a man of God-he was convinced. He left his home; he left everything he had to serve God. And upon the mount that day, when he offered up the ram instead of Isaac, God told Abraham, 'Because you did this, your seed shall possess the gate of the enemy. (That's right.) Your seed, Abraham, I promise you, I swear by it. (Hallelujah! Oh, my! Now I feel religious!) I swear by it. Abraham, your seed shall possess the gate of his enemy.'"

⁹⁷ Now Shamgar could say, "I am the seed of Abraham!" Amen! And if Shamgar could think that, being the natural seed of Abraham, what about tonight if we are the royal seed of Abraham! Glory! Whew! You think I'm crazy; maybe I am. Leave me alone. I feel better this way than I did when I had the other mind! Royal seed of Abraham. The church is the royal, promised seed. And if the natural seed could take that much courage; what ought the royal seed to do, with the presence of the Holy Ghost just anointing around, showing Himself. Whew! Glory!

GEN22:17

⁹⁸ Sure. Shamgar said, "I'm a seed of Abraham." And as he begin to think of it: "God told Abraham-I believe it!-that his seed shall possess his enemies' gates, and there they are marching through my gate." Just reached up, got a ox goad.

⁹⁹ Now, he didn't stop; he never waited to learn how to duel, or say, "Wait a minute, I'm the royal seed; I'm the seed of Abraham. I'm circumcised. So, you know, all of these Philistines are good warriors. They've been practicing a long time. I'll go down to the seminary and get my PhD and LLD, and I'll learn how to duel! I'll learn the catechism, all the church rules!"

¹⁰⁰ If He'd have done that, that's all he would've knowed anything about! He'd have only knowed that, and he couldn't have whipped them. He couldn't have matched the enemy. You can't match the enemy; I

told him what was going to take place, he was convinced. When he saw that sign, he said, "There He is!" Amen!

⁷⁴ If we would just be that sincere! If we would wait at the altar! Not get some kind of a little feeling and jump up and run away, but stay there! No matter what happens, stay there until you are perfectly convinced by the power of His resurrection that the Holy Ghost has took a-hold in you and holding you, and you're a new creature in Christ!

EPH2:6

⁷⁵ Stay there until you are dead and raised up again! Then you won't go to the water a hypocrite. You'll go there, and you know that He died for you and you died with Him. And now you're going down to be raised with Him again; show the world that you believe that He died and rose again, and you're dead with Him, and has already raised again. And now you're going to sit in heavenly places eating sheep food.

MATT3:7,9 LUKE3:7,8

⁷⁶ Andrew, this great one that we're speaking of, the brother of Simon, he stayed all night until he was convinced. As he was going along the bank, John, this great prophet, kept saying, "There is one. The time is at hand. Oh, you generation of snakes in the grass, don't think to say, 'I belong to this and I belong to that; we have Abraham to our father.' I tell you, God's able of these stones to rise children to Abraham." Oh, he was just laying the axe to the root of the tree.

MATT3:10 LUKE3:9

⁷⁷ See, John was a wilderness man. Look what he talked of: axes, trees, snakes, see. That's what he's used to out there in the wilderness. And he said, "The axe is laid to the root of the tree, and every tree that don't bring good fruit is going to be cast down and burned." Hitting the axe against the tree; cutting off snake's heads and everything. He was a wilderness man.

MATT11:8 LUKE7:25

⁷⁸ No wonder Jesus said, "What'd you go out to see?" In that "Forgotten Beatitude," as I preached on it, when He went across the hill, the disciples (of John) said, "What did you go out to see?-a man dressed in fine clothes?" He said, "That's the kind that they'll call, 'Doctor, Holy Father.' They wear soft clothes and they kiss the babies, and marry the young and bury the old. He handles a pen knife." What would a man like that know about a two-handed sword out on the battle front? "Did you go out to see one?"

MATT11:7 LUKE7:24

⁷⁹ Said, "Then did you go to see a reed shaken with any wind; that any little group can come along and change him from this to that and this to that?" Not John! He was convinced. He knowed where he stayed! He knowed his position! Wasn't shaking John around. No, no!

MATT11:9 LUKE7:26

Said, "What did you go to see then, a prophet?" He said, "And I say to you, greater than a prophet. He's more than a prophet!"

JOHN1:36,37

⁸⁰ So John was convinced, and he began to preach. And Andrew had been attending the meetings. And so when Jesus passed by, and Andrew

and another disciple was there, John pointed out and said, "Behold the Lamb of God that takes away the sin of the world." And they followed Him. My, I wish I could have that much force to my preaching! When I say, "Behold the Lamb of God that takes away the sin of the world" and every person'd take out after Him." My, let ... "Where do I find Him, Brother Branham?" I can show you!

⁸¹ Not long ago I was in a Businessmen's meeting, and I was preaching out on the west coast. And there was some fellow walked up to me, and he said, "Say, aren't you a preacher?"

I said, "Yes, sir."

He said, "What are you doing with these businessmen?"

I said, "I am a businessman."

And he said, "What kind of a business are you in?"

I said, "Assurance business."

He said, "What kind of insurance?"

I said, "Assurance."

He said, "What kind is it?"

And I said, "Blessed assurance, Jesus is mine." I said, "If you're interested in a policy, I'd like to talk it over with you."

⁸² A friend of mine, Mr. Snyder, precious boy, he come up to my house; and I knew him when I was a little fellow, and we went to school together. And he said, "Billy, I would like to sell you some insurance."

⁸³ Well, I had a little deal pulled to me one time on insurance and I never did take it any more. So, he said ... I said, "Wilmer, I sure would ... like you, but" I said, "I already got assurance."

He said, "Oh, you have?" My wife looked at me as if I was a hypocrite. She knowed I didn't have any insurance, but I said, "assurance," see.

He said, "Oh, I'm sorry, Billy." He said, "What company is it with?"

I said, "The Eternal Life."

Said, "I don't believe I've ever heard of that company."

I said, "You should." Oh, I'm convinced that it's right! It's right!

JOHN1:36

So John preached and said, "There He is! The Lamb of God that takes away the sin of the world."

⁸⁴ When I see Him move across an audience, pull a sinner or a sick person, speak to them, and know that that's the very God ... and anybody would know anything, would know that I couldn't do that! I'd like to say, "Behold the Lamb of God that takes away the sin of the world!" I like for people to say, "I believe it. I now repent of my sins. I believe on Jesus Christ." Oh, I would like to see them do that.

JOHN1:38

⁸⁵ And these disciples took right off after Jesus. And He looked around and He found them. And He said, "What seek ye?"

JOHN1:38

And they said, "Rabbi (being interpreted, Master), where dwellest

Thou?"

JOHN1:39

He said, "Come and see." Now that is a wonderful invitation! "Come and see." I like that.

JOHN1:46

⁸⁶ That's what Philip said to Nathanael. When Nathanael said, "Could there be any good thing come out of Nazareth?" He said, "Come and see." So he went. Come find out! Don't sit at home and criticize. Come find out! Come see for yourself!

⁸⁷ Now, they said it was evening time, so Andrew stayed all night. Oh, that's a good way. He stayed until he was convinced! What that man had told him that night, what He had said to him, or what He did, there was something that completely convinced Andrew that He was the Messiah.

JOHN1:45

⁸⁸ The next day real early, I imagine, he grabbed his coat and hat and took down, 'cause Peter was going to be fishing down on the river. And he said, "Come, see who we've found. It's the Messiah." He was convinced! When He was perfectly convinced that it was the Messiah, he was concerned about his brother!

⁸⁹ That's what's the matter tonight. People are not convinced of the message. People are not convinced about the Holy Ghost. If you really get convinced, then you're concerned. You'll do everything you can to do ever what you got to do with it. You say, "Well, Brother Branham, I'm not a preacher." Well, you can do something, too.

⁹⁰ Remember one time we had a meeting. There was a farmer got saved and filled with the Holy Ghost. And he only had nothing but his experience and a truck; but he hauled so many to the meeting, he got thirty more filled with the Holy Ghost before a time. Why? He was convinced! And when he was convinced, he was concerned. Little daughter got healed. We had sick people every night-a truck full of them-bringing them from everywhere. Thirty got the Holy Ghost. See, he was convinced that it was right, so he was concerned about somebody else! And if we're convinced that Jesus is coming soon, we'll be concerned about our lost ones! We'll be doing all we can to get the gospel out!

GEN32:23,24

⁹¹ Jacob stayed all night when that wrestling ... that wrestling prince. He wrestled all night. He had been dodging Esau here and there. He was scared to death of him. After he heard Esau was coming, he put his wife across the brook, went over on the other side and knelt down; and you know, God come down and got a hold of Jacob, and they wrestled all night. So he wasn't completely convinced to start with, but time God got through with him, he was convinced!

GEN33:15

⁹² Yes, he stayed and held on until he was convinced that it was God! Brother, he wasn't scared of Esau then! Crossed the river, and he was weak and limping; the worst time that he could be in, looked like. He was the weakest he ever was. He'd been crippled and everything, but Esau said to him, "Will you let me send an army along to help you?"
