## Introduction

The remarkable ministry of William Branham was the response of the Holy Spirit to the prophecies of the Scriptures in Malachi 4:5,6, Luke 17:30, and Revelations 10:7. This worldwide ministry has been the culmination of many other Bible prophecies, and a continuation of the working of God by His Spirit at this End time. This ministry was spoken of in the Scriptures, to prepare the people for the Second Coming of Jesus Christ.

We pray that the printed Word will become written in your heart as you prayerfully read this message.

While every effort has been made to provide an accurate unabridged transcription, the English audio files are the best representation of the sermons spoken by Bro Branham.

Audio and transcribed versions of over 1,100 sermons preached by William Branham are available for free downloading and printing in many languages at:

about forty years old. You're going through the change of life."

<sup>164</sup> And that's exactly what the doctor said. Now, he said to me. He put his hand over there. He was the owner, owner of one of the stations and he...I said, "Well, you're weary. Here's what you been thinking about. But for one thing, you think you've got tubercular, but you got pleurisy, pains in your side."

<sup>165</sup> He said, "That's just what the doctor was saying." Said, "That's just exactly what the doctor told me yesterday."

<sup>166</sup> I said, "Now, here's something that the doctor couldn't tell you:" I said, "You're halting between two opinions. You think that you're serving God and want to do that by keeping this broadcast like this, but you've got a call and you want to go in the ministry." And I said, "The thing that I'd advise you to do, forget about the broadcast and get out there on the harvest field."

<sup>167</sup> He threw his arms around me and screamed out, right there. And it happened to be that that man is a member of Brother Bosworth's church, here. That's right. There you are. So, you see? It's perfect. God cannot lie, for He's God. Is that right? Now, it's not me, it's Him. Now, can't you believe with all your heart?

Now just bow your head and be real reverent, everyone.

<sup>168</sup> [Spanish brother speaking and helping in the prayer line. Then the congregation starts singing in Spanish *Oh, I Want To See Him* and praising God—Ed.

ask it in Jesus' Name.

<sup>157</sup> You may raise your head now, while I slip into the room for prayer...

[A brother speaks in Spanish for a few minutes—Ed.]

<sup>158</sup> If everyone would just be reverent now, and will bow your heads. Be real reverent, now, if God should perform a miracle. The first thing I want to know now, do you all firmly believe this with all your heart? If you do, raise your hand. Well, now, you just keep your head bowed while I speak to you just a few moments. [Blank spot on tape—Ed.]

Help me to bless others. Grant it, will you, Lord?

<sup>159</sup> Now, my brother standing here, your servant, suffering with this diabetes. Realizing that...blood now is becoming sugar. Just a few more turns and a little place, and hands would drop off, and feet, and then Satan would have the victory. God's servant would be laid up for the rest of his life, which would be short. Now, no doubt that he's tried many things, God, but tonight he's not coming trying, he's coming tonight to be healed. Grant it, Father. I know You hear my prayer, for You are here to open the eyes of the blind, the deaf and the dumb, the cripples. How much more give blood of life to my brother? I now rebuke this diabetes in the Name of Jesus Christ. Leave the man. May God give double punishment if you hold him longer. Come out of him, through Jesus Christ the Lord.

...[Too much distortion to understand—Ed.]

<sup>160</sup> ...my brother, suffering now of this trouble. Thou art here to liberate him, to make him well. Thou dost not fail. You are from everlasting to everlasting, God. The ages move on. You raise up man, take down man, set up kings and take down; send gifts. You ascended on high and gave gifts to man. Now, my brother is suffering. I pray, Father, sincerely, with all my heart, that You will heal him. I rebuke this asthmatic cough in [Blank spot on tape—Ed.] of Jesus Christ. May it leave him to never return no more. [Blank spot on tape—Ed.]

<sup>161</sup> Said, "Could you tell him what's wrong with it?" Now, remember, we have just come from the doctors.

<sup>162</sup> I said, "If you do not approach it critically, I'll do what God says." They brought the baby in, put its little hand on mine. Now remember, that was being broadcast, over a powerful station, and their doctor was listening in. And they had been to the doctor the day before. I said, "Yes sir, the little baby, it has a weak kidneys which...wetting the bed at night, and another thing, it's been vomiting up all of its food recently because it's got a spasm in its stomach."

Said, "Brother Branham..." Said, "Doctor, you hear that."

There they was, see? Just exactly what the doctor told them.

Said, "Now, my wife." She come over.

<sup>163</sup> I said, "The baby inherited the kidney trouble from the mother because she also has trouble from the kidneys, and another thing, you got a real weary, scary feeling all the time, haven't you?" I said, "Your age is

## The Angel Of God

<sup>1</sup> I don't know, but I know it's getting awful near, for the signs that He said would be taking place, He said it would be even at the door, and we're getting them right now.

<sup>2</sup> I know the next thing to happen is the restoration of the gifts to the church...And it's the hardest thing I've had to do in this pioneering work, is to do this...as to see the people that God cannot give back the gifts to the church as long as His church is divided. We've got to get the church together first, 'fore the gifts can come. But if all of the full Gospel people would come one heart and one accord, there would be a revival that would shake the whole world, and every spiritual gift would be in the church within a hour's time after it took place. Signs and wonders that was done by the apostles would be a minor thing to what would do if we could just get the church together.

<sup>3</sup> It's got to happen. It will happen. It may be after I'm passed off the scene. But I want to put my word in this, that you might know, that my voice is this, "Oh Christian people, bind yourselves together with one heart and one accord, for God cannot no more send a gift to the church while the church is separated, than He can send the Holy Ghost unless we're in one accord. That's right. For it comes by the Holy Ghost. Believe it!

<sup>4</sup> These claims that I have made about the Angel of God, these claims I have made about healing, I don't believe there's a person that's ever been in the meeting but what knows that it is true. Do you believe it? You've seen it before your own eyes. Certainly.

<sup>5</sup> I've seen people pass over the platform and not be healed. There was thousands come before Christ that wasn't healed. He said, "I can if ye believe." But many mighty works He could not do because of their unbelief.

<sup>6</sup> [Someone interrupts Brother Branham and he responds with the following—Ed.] Come by Jeffersonville and see me sometime, will you? Be glad to have you. Write me a letter, send it to me, if I can just...send it to my house. Any time that I could...you could call me, for your sick, I'll pray for it on the phone. I can't say I could come every time. I used to say, "I'll come to you rain or shine." I come down from Canada and about fifteen or eighteen airplane tickets laying there. Oh, I just wondered, then...See, you can't go 'cause where you're going to one, here's another, one here, here's another, and you don't know where to go to.

<sup>7</sup> But I love you, and I'm here to help you. I'm going to do all that I can for you, to try to prove to you that I do love you. God bless each one of you.

<sup>8</sup> Now before going, I wish to read this little piece of scripture, before starting in the prayer line. Matthew the 4th chapter, 23<sup>rd</sup> and 24<sup>th</sup> verses:

*And Jesus went about all Galilee, teaching in their synagogues, and preaching the gospel of the kingdom, and*

*healing all manner of sickness and all manner of disease among the people.*

*And his fame went out throughout all Syria: and they brought unto him all sick people that were taken with divers diseases and torments, and those which were possessed with devils, and those which were lunatick, and those that had the palsy: and he healed them.*

<sup>9</sup> Now, let's bow our heads just a moment...everywhere, over the audience. Be real reverent. I want to know before I start praying now, with your head bowed, how many of you that's coming in the prayer line would believe that if I'll ask God, God will hear my prayer and heal you? You believe that? You believe He will? God bless you. Friends, the Angel of the Lord told me, "If you can get the people to believe you."

<sup>10</sup> Now, I'll tell you what you do. You pass through this line tonight. You go out of here just rejoicing, just as happy as you can be, telling the people that you are healed, and go testifying. The disciples were ten days and nights in Jerusalem, constantly praising God, before the Holy Ghost ever fell.

<sup>11</sup> Father, I thank Thee for this, another privilege for this even...?..the third trip to this lovely little city of Phoenix where, the valley of the sun, where my heart has yearned to be since a little boy. O God, come tonight. I pray, God, that you'll start a revival in every church there is in the city. Grant it, Lord. May a great union revival be released. Father, I pray that...I pray that tonight that the Angel of God will stand here at this pulpit, and may there not be one pass by this pulpit, but what's healed. Hear my prayer, Father, as I cry to You with a sincere heart, knowing that I'm trying with my whole heart to serve You the best that I know how, and I pray that You will hear me tonight. Bless Brother Garcia...[Blank spot on tape—Ed.]

<sup>12</sup> ...prayer line, there was a man was come up with a woman...and when I took hold of her hand of course there was...feel the vibration because arthritis is caused by acid. And I had prayer for the woman and...her eyes, she seemed to go into a trance. I just passed her on, of course.

<sup>13</sup> Then I left and was gone, and come back again in a few days, and her husband was at the door, and he said, "Brother Branham," he said, "something has happened to my wife. She talks like she's delirious."

And I said, "What seems to be wrong?"

<sup>14</sup> He said, "Well, here's what it is," said, "when she was praying...When you was praying for her, she seemed like she was in a trance until we got home. And she asked me who was that other man who that come down there with you when you prayed for her? And I said, "There was no other man."

Said, "Oh yes, a man with a white robe on, with dark hair."

I said, "Say that again, brother."

will have us to answer at the Day of Judgment (Is that right?) when the secrets of all hearts shall be disclosed.

<sup>147</sup> Now, I've told you. God before has performed it. And you be real reverent, and keep your head bowed til you hear my voice on this microphone say, "Raise your head."

<sup>148</sup> Now...If anything should happen, a miracle, I have no controls of miracles, them's what...My gift is not miracles, my gift is healing. All of you understand that, don't you? There's nine spiritual gifts. But many times the Angel of God will perform miracles.

<sup>149</sup> How many remembers down at the auditorium here that day, not long ago, when I stood there and was making a challenge: "Bring anything up." In a miracle line.

<sup>150</sup> Preacher, himself, got under conviction, come to the platform and asked God if it was His will for me to bring the people up, to heal every one then that come that they had in the miracle line, but if it wasn't His will, that that Angel that met me up there and told me not to do that, then to stop it. How many remembers what happened? Was you at the auditorium? Even a man was hard of hearing went all the way deaf, a little girl the same way. Is that right? That's right.

<sup>151</sup> Now, you see, I watch. When I feel perfect leading of the Holy Spirit, then I speak.

<sup>152</sup> Now, today I been all...visiting all around the city, taking my wife and them around the city. Now, notice, tomorrow I'm going to stay in prayer, I'll probably know more about it tomorrow night.

<sup>153</sup> But tonight, you that's in the prayer line now, you...Brother Joe will tell you how to form the line, and you'll come up one by one, and now...I will promise you this, by the help of God, I'll pray for every sick person passes through this door, before I leave Phoenix. I'll do everything I can. I mean to pray for you, come by and pray for you the very best that I know how, before I leave this city.

<sup>154</sup> Now, do you believe these things I've told you? (This is the prayer side over here...come in the prayer line here.) Do you believe these things are true? You believe they're true. And now, if I'll ask God sincerely with all my heart, you'll believe Him the same way as...[Blank spot on tape—Ed.]...you'll get well? You believe that? Alright, I want everybody to bow their heads.

<sup>155</sup> Father, I pray Thee to send Your Angel now. Let thy servant not speak tonight, but let the Angel of God Who met me that night in the room, and told me these things, that stood by me these twenty-two months now, I pray that He will stand by me tonight. May He take the things that's of God, speak them through Thy servant. [Blank spot on tape—Ed.]...midst of all of it, You're going to give me the victory. I'm trying once more, now, for I'm coming in the Name of Jesus. [Blank spot on tape—Ed.]

<sup>156</sup> Oh, help me, God, and I'll give all praise and glory to Thee. For we

<sup>138</sup> Now, believe, sister, with all your heart; you'll be able with your own strength to rise up from there, walk right on out of the building, leave your cot. Tomorrow you be about your work, like the lady here that passed away right there in her seat. Now, it's no harder for God to heal tubercular than it is with a cancer. But as soon as the vibrations left, the cancer died, the woman rose and believed God and went on. She believed what I told her. Is that right, sister? She believed what I told her. The cancer germ died right in her. And her doctor...he may be in the building tonight. He sent for me to come, he said he'd like to shake my hand; wanted to show me the x-rays of the woman.

Alright, now, if she can believe, can't you?

<sup>139</sup> I got a letter from a minister, here on that morning, here at the Spanish church. I got it on file, his picture before and after. He was standing here with tubercular, one of the most hideous looking sights. He couldn't hardly breathe, he was so weak. And he was healed right here. I got his testimony, with the doctors records signed, three or four doctors' names on it, like that; dismissed, perfectly well. Not only that, hundreds of x-rays...

<sup>140</sup> In the meetings there's somewhat about seventy to eighty percent that passes through the prayer line, we hear, that's healed within the space of ninety days, are well. Thirty percent that doesn't, now, you'll be on one of those sides. But stay on the seventy percent side. Be well. God bless you.

<sup>141</sup> Now, while the brother is playing. Where's Brother Joseph? Where is he at? I want Brother Joseph to pick up the prayer cards, because...but he can't speak Spanish...

<sup>142</sup> Now, I tell you what I want the rest of you to do...If you're an unbeliever...Now, you remember in this last meeting, right here in this auditorium, the man may be in the building here tonight, but that demon come upon him, when he stood and said that was psychology. Right here in Phoenix. And the man come on down through the west trying to get into the meeting, and the last night, Santa Rosa, his wife come there and caught Brother Brown and I and almost fell across the path where we were walking, and there her husband setting there, and his eyes bulged out.

<sup>143</sup> A Phoenix man, from Phoenix, Arizona. Is the man here in the building tonight? If you are, raise your hand. And there in the...over forty-five minutes in there I was with the man, then the demon come from him. He's in his right mind, returned back home.

<sup>144</sup> He said it's psychology, but a few days he got...had a funny feeling coming upon him. There he went walking like...Police picked him up here in the city.

<sup>145</sup> Now if you're a believer, stay in the building. If you're not, do not. That's outside, wherever you are. And you keep your head bowed, when you hear me call...

<sup>146</sup> This is not a fanaticism, now. Don't...that. It's not a fanaticism, God

And he said it again.

And I said, "That is the Angel of the Lord that appears." See?

<sup>15</sup> She said, "Why He was looking down upon Brother Branham when he was praying." And said, "He talked to me, and He said, 'Now, you're looking for healing.' Said, 'Brother Branham's prayer will be answered; you'll be healed.' But said, 'Doesn't Brother Branham look awful frail?' Said, 'But he'll be strong after a while.'"

<sup>16</sup> So, that give me encouragement. See? "He'll be strong after while." Now the woman never heard the story, and she described, [Tape repeats—Ed.] said he was a large man, brown, dark face with black hair hanging down near his shoulders. She said, "I seen Him come down off the pulpit," and she had never heard of it in her life. And said, "When Brother Branham knelt down to pray for me, then this man looked, come up there; instead of praying, He just kept looking down at Brother Branham." And said, "He looked around at me and said, 'Now, you come for healing, and you'll be healed.' And then, said, 'Now, doesn't Brother Branham look awful thin?' Said, 'But he'll be strong after a while.'" And said, "Then when they started moving the stretcher away, He walked right on out the door with me, and that's the last I seen of Him."

<sup>17</sup> Now, that's the Angel of God. He's been seen many times in the services, and I know that He's here tonight. I know that He is here. I've felt Him three or four times since I been here. Now, that someone might know...Now, many people misunderstand. Now, this is in no means, friend, an angel worship. It is not. I do not pray in the name of the angel or even know his name, but if you will check the Scriptures, when God sends His people, it's an angel that directs them.

<sup>18</sup> Moses...You say, "Well, how about the New Testament?" Certainly. It was always the Angel of the Lord. That's right. Peter, when he was in prison, the Angel of the Lord came down, (Is that right?) delivered him. And, oh my, many times...How about Paul, when he come over in Macedonia, and when he was on the shipwreck, the Angel of the Lord appeared to him that night and told him He'd give them all into his hands. Certainly. It's always...Paul never worshipped the angel. John the revelator, after the whole Book of Revelation was written, then John said, "I fell at the feet of the angel (Is that right?) which showed me these things."

<sup>19</sup> He said, "Worship God." He was of his fellow man, and of the prophets. See?

<sup>20</sup> Notice, God always sends down the supernatural upon the natural, like upon the brazen serpent, the pool and so forth. Even Jesus Himself, He never took credit for healing anybody. That right? He said, "It's not Me that doeth the works, it's My Father that dwelleth in Me." [Blank spot on tape—Ed.]

<sup>21</sup> ...the doctors knew he was dead. I went to offer sympathy to the family, and starting out of the house, the wife screaming and crying, of

the man. And as I started out the door, a human hand, seemingly, touched me by the arm. And I felt it hold me, and as I started forward I could not move. I turned back; the hand left me. I went to the bedside and looked down upon the man. There was a Methodist minister's wife in the room, and another sister. And I started to have prayer. When I come to myself I was laying on this man's body, the dead man, had a sheet over his face for at least a half hour. My face was laying right against him and I was calling out into the spirit land, "Brother Elijah....Brother Elijah..." calling out into the land for his spirit, not knowing what I was doing.

<sup>22</sup> In a few moments, I laid still, calling, I felt that man's hand coming up around my ears. The man is working on the Pennsylvania Railroad tonight, alive.

<sup>23</sup> Now...God knows that's true; if it isn't, He'd let me pass away from this pulpit right now. But that don't mean that everybody could believe. I can do nothing within myself. I have to act as that Angel says, "Act." But when He...[Blank spot on tape—Ed.]

<sup>24</sup> ...but what is in need of healing, and your very...Notice, the thing that you're seeking after is already in the deposit box of heaven for you. Christ, "He was wounded for our transgressions and with His stripes we are healed." Is that right? See, it's already made. Just like if I say...here, if I gave you a postal cheque or money order that called for five thousand dollars. Well, you say, "Is that money order any good?" Certainly, if the government is any good, why, then, or the one that wrote the money order, the whole government...Before that money order could be written, there had to be five thousand dollars deposit first, before that money order could be written. Is that true? The deposit has to be made first.

<sup>25</sup> Well, the...Now, look. The depo...[Blank spot on tape—Ed.] for your healing was put in God's medicine cabinet, or His bank, on the day of the crucifixion at Calvary. You see what I mean? Then, "He was wounded for our transgressions, and with His stripes we're healed," and your healing is done bought and paid for. Oh, my. It's yours! All you have to do is just reach out and get it.

<sup>26</sup> Now, in order that people would see and know, God promised that He would send gifts. Is that right? There's nine spiritual gifts promised to the body. That is, the body of believers. It's not for the unbeliever. Divine Healing is not for you who do not believe, it's for those who believe. The Holy Ghost is not for those who do not believe in it, it's for those who believe it.

<sup>27</sup> Now, a few years ago when the Holy Ghost, before it came, and the church began to get formal, back under the days of Methodist, and you people cried to God for deliverance and God sent down the baptism of the Spirit. Now, since then, people has been liberated from their sins by receiving the baptism of the Holy Ghost. Is that right? Now, those who do not believe in it, they can't receive it. You've got to believe in it. Therefore, He sent anointed preachers to preach the Word, and you

you all will say you to me, "Truly, Jesus sent me." And I'm going to do all I can for you. I've got to have your co-operation. Now, look...

What's the matter with the sister. Is that your...Now, look, sister dear. No doubt but what you've tried many times to get well.

<sup>131</sup> There was some lepers set at the gate one time, begging. The city was besieged by the Assyrians. They said, "Why do we set here till we die?" If we go into the city, there was nothing to eat there. They were starving, they were eating one another's children. And if they set there, they would die, surely. They only had one opportunity, that was go down to the enemy's camp. And if they...Said, "If they kill us, we're just going to die anyhow, 'cause we're going to die setting here. If we go back there we're going to die, if we set here we're going to die, and if we go down there...If they kill us, why we're...just be out of our misery, 'cause we're going to die anyhow. But if they do have mercy on us, why, they...why, we'll live."

<sup>132</sup> And they went down there. And God, upon the merits of that kind of faith, rewarded them and caused a great rumble to come upon the desert, and they thought that Israel had hired some more soldiers to come, and they ran away. And they went into the tents, and found rice, food, wine, and even not only saved their own life, but the city's life.

<sup>133</sup> Now tonight, I'm not asking you to come to the house of an enemy. I realize it's tubercular, and even this lovely place here, where it's a healthy climate...way that you are. And you're with tubercular, you're sure to die. That's right. You realize that.

<sup>134</sup> Now, you—you're—you believe in God, don't you? Now, as you have believed in God, you believe in me, that that Angel of God that came down and told me that. You've heard the story of it, have you, sister? You ever hear the story how it come, the Angel of the Lord came to me...

<sup>135</sup> While I was setting in a room...Since a boy, I had a calling, and I was setting in the room, sitting right on the floor. A supernatural Being come walking into the room, an Angel, said He was sent from the presence of God. He said, "If you get the people to believe you, and will be sincere when you pray, nothing shall stand before your prayer, not even cancer."

<sup>136</sup> Then you'd ask me, "Does everybody get well, Brother Branham?" Everybody that truly believes gets well. Thousands have been healed. [Blank spot on tape—Ed.]

<sup>137</sup> ...you're liberated tonight. That's your wife, is it? I know, I think how I would feel if that was mine. Frankly, one day my wife laid in a tent, tubercular. That is right. That's the reason I hate that demon and he hates me. He's the one who tore my family up, years ago, took from me the dearest of earth. And that's the reason today when I have power over him, I'd love to see him drove away. And I tell you, my dear brother, we may never meet again in life, but if your dear wife will believe with her heart that this Angel came and told me this, your wife will be a well, healthy, woman.

might seek Thee in the pardoning of their sins.

<sup>121</sup> While you have your heads bowed, just now, if there's an unsaved person, just raise your hand, say, "Brother Branham, I want you to pray for me, I'm unsaved." I'll do it right now. Unsaved persons...

<sup>122</sup> God Bless you, young man...You there, and you and you. There's someone...God bless you, sister, you, sister, you and you. God Bless you, young woman...someone over here...God bless you, young lady. God bless you, my brother.

<sup>123</sup> Someone over to my right now, say, "Brother Branham, remember me, I'm certainly in need of Christ. I'm needy tonight."

<sup>124</sup> God bless you. God bless you, sir. God bless you, little girl, and you, young lady. Someone else back there. Oh, God bless you my brother.

<sup>125</sup> Oh, friends, don't you see we need an old-fashioned revival. We need an old-fashioned mourner's bench in place for...God bless you, boy. God bless you, brother, and you brother. Yes. Now is the time, even right now, friends. Standing here, kind of tired tonight, I feel the Holy Spirit moving over this building; bound to be. What would bring conviction to human hearts? Realizing we're may be in the grave this time next week.

<sup>126</sup> A little boy playing on the steps, here a few days ago, standing there, fell in an irrigation ditch, and two hours later they pulled him out, and his little soul was in Eternity. Think, friends, just how quick you can just go out to meet God?

<sup>127</sup> O Father, tonight, Thou did see the hands of those who love Thee and wants to be saved. God, there's going to be a number of people come out of this Babylon and confusion to come into the Kingdom. Oh, this great, dark hour when the nations are breaking, Israel awakening, the signs that the Bible foretold.

<sup>128</sup> O God, have mercy. I pray just now while they're sitting there, that You will speak a pardoning peace to their souls. Grant it, God. May they not go to bed tonight until they're on their knees there, crying, saying, "God, have mercy upon me. I'm a sinner. I want to be saved. I believe that You sending Your warning Voice, and I want to saved." God, grant it. May they humbly come to Thee, and be saved. For we ask it in the Name of Thy Son, Jesus Christ. Amen....?...

<sup>129</sup> I want everyone's close attention. If there's an unbeliever, do not stay in the building. I'm not a preacher, I come to pray for the sick, and everything must be real reverent. Now, you mothers get your children close to you. You know what happens; you've seen it in meetings before. Sometimes these demons come right out and go right out into the people, and they just go from one to another, and they follow meeting after meeting, trying to get into the prayer line. I don't know when...I'm going overseas. May be my last time to ever be in Phoenix, so I...I don't know.

<sup>130</sup> And I want to help you, that I know this, so when I leave here, that

received it, and now you receive...How many in here has received the Holy Spirit? Let's see your hands. Now, that's fine! My, look at there, almost a hundred percent. Wonderful! Oh my, we ought to be able to do anything! That's right. Why, there's nothing, now...why, that much believers in here who's received the Holy Ghost, why, there oughtn't to be a feeble person among you in the next few hours. That's right. What do you think about...sister, on the cot? Do you believe that's so? All right.

<sup>28</sup> Now, notice, "If you can believe." Now, many of the miracles that's performed, I always see them in my room in prayer before I come to the building. How many...All of you in here has heard how the gift of healing come to me, haven't you, most all of you...?...'cause I told it last time here, about...You still believe it? Well, that's just fine, that's fine.

<sup>29</sup> Now, we want to read just a little out of the Word here, and teach it just for a few moments, and then we'll get ready for the service, for the healing service.

<sup>30</sup> Now, this was during the time of the early ministry of the Master. He had been healing the people everywhere and His fame had went out. Now, if the people would have doubted Him, that He was the Son of God, that He was the Healer Divine, they could have not been healed. Even His prayer for them would have not have healed them. His hands would have not have...laying upon them would have not have healed them. Jesus never took credit for healing anyone. He said, "Thy faith has made thee whole." Is that right? "Thy faith has saved thee."

<sup>31</sup> A woman once touched the hem of His garment, then everybody wanted to touch the hem of His garment. And you notice it in the meetings, you'll hear people say, I hear them...I'll tell somebody, maybe under inspiration, "Go up the street, or go up to the corner, throw down your crutches." Then the next one come through, say, "Brother Branham, tell me to do so." See? They just keep, whatever they see somebody else doing. Well, friend, if somebody in here now could just raise right up and touch Christ by faith, looks like the rest of you could.

<sup>32</sup> Here the other night...I might make this statement. It was this last week, we were in Miami, and it really is a city of confusion. There's all kinds of doctrines and everything, that falls around the nation, comes in there, everywhere. And when, coming in, I was trying...They said people wouldn't come out, but they did, they come to the meeting, a thousand.

<sup>33</sup> But here's what happened...In the service one night, we were...had to hurry, 'cause we had several hundred to pass through the line. And we brought up first a few, deaf, dumb, maybe, I believe, a blind man, a few things like that, that were performed. And it was in the last night, there was two boys, born blind, without sight all their lives, received their sight. And different things of that type, which, we was having a hard struggle of it because there was such a confusion amongst the churches because many people come into those places and they just break up

churches, (You see?) go and start their own church. It's hard to get to the people that we're not wanting to start a church, we're trying our best to get the church together. That's what we need. Don't you believe that? We need cooperation, together.

<sup>34</sup> And then, in that, I was praying for a people, coming along, like that and the first thing I...someone, now...Faith had begin to drop in the line; you could feel it. And that's one thing that I...in the Spanish people. You're humble, you're willing to, eager to just take the crumb, whatever you...You come in that attitude, and that's the reason you get healed. That's the reason you get healed, because you come humble.

<sup>35</sup> Anyone who comes stiff-necked will never receive nothing from God. You got to see how low that you can get and then Christ will heal you, (That's right.) or He'll save you, He'll give you the Holy Ghost, if you'll just...Now...up to Him, not He to you, and then you will receive from Him.

<sup>36</sup> Then, while I was praying, I had my back turned to the audience of several hundreds of people. And I was praying like this, the people coming through the line. Once in a while I'd have to stop one, because it seemed like they wouldn't have faith to come to be healed then.

<sup>37</sup> And while I was praying, I felt something. I turned around, I said, "A crippled person is healed, somewhere," because I felt it. And in a few moments...I said, "Some crippled person." I heard somebody scream out back there. There's a young businessman of the city setting there with his wife. He had a crippled arm, and here he was with his arms up in the air a-thanking God. And he told us then that he had set there and he said, "I wanted to get into the service; I'd been there for two or three nights." But said, "I couldn't get in amongst those people, so many of them there, and so much heat. And I said, 'O God, if that's Your Gift, You heal me.'" And that quick his faith went out, (You see?) and with my back turned to him, I felt it move. Then he raised up.

<sup>38</sup> Now friends, that wasn't me, but that proves that Jesus Christ is the same yesterday, today and forever. For he turned around and said, "Who touched Me?" Is that right, Brother Bosworth? [Brother Bosworth responds—Ed.]

<sup>39</sup> Now those things...Here in a meeting one night there I was standing, I heard a spirit pass by me, a choking spirit. I felt it come back again in a few moments. It was the Keel Auditorium; fourteen thousand people in there that night. And I said, "Somebody with a goiter is healed, for the spirit just passed by here," and I said, "frankly, here it comes by again." And as it passed by I heard strangling. That may almost drown some of you, but, it...I know there's lots of things that's said that's not true, but there is a true God Who heals. That's right. And when it went by, I made announcement of it again, and I said, "Somebody..." Looked to the line, "Somebody's healed of a goiter."

<sup>40</sup> And up in the second balcony, I heard somebody scream out, Said, "Brother Branham, it's I." And it was the *Post Dispatch* reporter, up

near...be the Rapture.

<sup>110</sup> Now, friends, we got about a hour and fifteen minutes, for prayer now for the sick. Now, if any of you can, wait, don't rush in tonight.

<sup>111</sup> Now, listen to me. Remember, I love you with all my heart. I want to see you well. And that's why I'm here for you tonight, to see you well. I give up my vacation, of rest, to come here to pray for you because I love you. And I promised you Spanish people I would come back. And if a man's not as good as his word, he isn't no good. No matter, for my own...thought, I was morally obligated to be here. And I wanted to come back. I love you with all my heart as well tonight.

<sup>112</sup> I took your records; I hear you singing. Sister Garcia sings a song there, solo. And many hour when I'd be away off somewhere in Canada, up in those fields, my, my...oh, so tired.

<sup>113</sup> Sometimes in our service there we'd have as many...One night thirty-five thousand people gathered. There in...on Sunday afternoon alone, eighteen hundred came to the altar, and a thousand gave their heart to Christ. And that night five hundred received the baptism of the Holy Ghost at one time. That's right.

<sup>114</sup> Now, He's here to save. He's here to heal. And a lot of times, I been going through, now, just speaking of Divine Healing. But it's getting to be very essential that I speak to you about your soul also. For you got a soul that's going to meet God, yonder.

<sup>115</sup> ...be reverent. Wonder, while we bow our heads, wonder if the sister here, the pianist, one of them will go to the piano. Play *Only Believe* for me just a minute. Piano player. Thank you, brother.

<sup>116</sup> I wonder, while you're setting here now, you know what? Where you going to be a year from tonight? Where you going to be five hundred years from tonight? You know why? Probably somewhere the sands will blow across your tombstone, and your soul will be somewhere in Eternity. You know that. Is that right? Well, where you going to be a year from now? You may be the same way. Where you going to be tomorrow night? You may be in Eternity.

<sup>117</sup> I wonder, while we bow our heads now, for prayer, everywhere. Christians, believe, everyone.

<sup>118</sup> Father, this great hour has come again, now, for the healing of the sick. Many times I've tried and struggled here at the Phoenix, believing that somehow, some way, down in this little desert town, here, where, seems to be great confusions amongst the people, that You have a church, a remnant. You're calling now.

<sup>119</sup> O Eternal God, the Author of Life, speak now just at this time. Maybe there'd be someone in here tonight who does not know You in the pardoning of their sins. If there be that person, Father...[Blank spot on tape—Ed.]

<sup>120</sup> ...door...The great march of the anti-Christ has started. O God, have mercy. Grant tonight that some lost wayward boy, girl, man or woman

<sup>101</sup> I said, "I...That's not for me to tell you, that's for you to seek out, but if you haven't received the Holy Ghost, you receive the Holy Ghost and go to some full [Tape repeats-Ed.]...the Holy Ghost and go to some full Gospel church that preaches and believes in Divine Healing and the Holy Ghost. Laid there a little while. I said, "Will you do it?"

<sup>102</sup> She promised. When she did, the vibrations left my hand in a few moments, after the first rebuke of the cancer...picked it up...[Blank spot on tape-Ed.] Doctor just give her a few days to live. And the woman got up. She went around, she done her work, she done her neighbors' work, still smoking those cigarettes. And she belonged to the...joined the church. Before that, she'd belonged to the church of...[Blank spot on tape-Ed.]...and even her pastor, if he understood the scriptures right, if anybody got healed of God, that they should forsake their sins, and told her she should quit smoking them cigarettes.

<sup>103</sup> Another reverend, of a gospel minister in the city, went over to her and warned her not to do it.

And she said, "Well I just can't give 'em up!"

<sup>104</sup> Said, "That's not what you promised Brother Branham and Almighty God."

<sup>105</sup> And the woman died a few nights after the last time the minister visited her, with a heart attack. See? Oh my!

<sup>106</sup> Don't sin no more. Now if you do sin, as soon as you sin you have an advocate, of course, but I mean don't walk out there and go following the same path you followed because the worse thing's coming upon you. Remember, if my voice is right before God to heal the sick, it's right to warn you, because you look for a worse thing.

<sup>107</sup> What if this lady here with cancer of the heart, colon, liver... Why, a abscess on your liver would kill you, and she had cancer. Why is she living now, when she passed out of this life right out there on the seat? How is she living? Because she purposed in her heart she would serve Christ the rest of her days, and that's why even her doctors and things, why she's living here in Phoenix tonight, to walk up and down the streets to glorify God, because she's not ashamed of it. She'll tell anybody about it. That's right. See? She's serving God.

<sup>108</sup> Now, if you're in that condition, purpose in your heart you're going to serve God from tonight on. No matter if you're a sinner. When you're...fall right down at the altar and give your heart to Him right then. And then receive the Holy Ghost.

<sup>109</sup> Come up here, and come into the church, or wherever church you prefer. But remember, make it a church that believes in Divine Healing, in the full Gospel, because some of them others will pump poison into you, you'll lose your experience after all. That's right. You go somewhere where it's really full Gospel people who believe in the coming of Christ. I believe the separating time's here now, letting him that's filthy be filthy still, and him that's holy, holy still. The hour is come when God's drawing the separating line. That's right. Church is

there, with the newspaper. A goiter, inward goiter he had for years, left him. He said the whole thing illuminated around there with the power of God. See, when his faith...He come over there to criticize. He give us a full page write-up, and everything, the paper the next day. He come to criticize, but when he begin to see God working and seen what God was doing, he himself believed. And then when he did, God rewarded him, and he never even had to get into the prayer line, he was healed up in the second balcony.

<sup>41</sup> Oh my, tell me He's not the same yesterday, today and forever? His power is unlimited and He can do the same thing even this very moment.

<sup>42</sup> Now look, you're all here, to want be—you're want to be well, and the more deeper you get into this the better off you're going to be. Don't come haphazard about it. Come with a sincere heart, believing it with all your heart and receive your healing...That's the way you do it. Now, don't come half-way believing it.

<sup>43</sup> Now, remember, I'm here, and these claims that I make about vibrations, about these things...How many in this meeting has been in my other meetings, has seen deaf, dumb, blind, cripples and so forth. Healed, let's see...How many have seen people told of their diseases, and told of their sins and things, of vibrations...How many has seen that? See?

<sup>44</sup> Now, if I make these statements and they're...and I just make them myself, there's nothing of that happens, then don't believe it, because my words would be untrue. But if I make those statements, and God backs that up, then that's God's testimony to it, is that right? That's God's testimony saying it is true. Well then, if God says it's true, in confirming the Word with signs and wonders following, isn't that what you prayed for for years?

<sup>45</sup> Well, my, my. I believe we could be healed right now. Sure. My, I like to feel that welcome spirit coming back like that. That feels wonderful.

<sup>46</sup> Alright, now, to read some of the Word. Now, this is of the nobleman's son was healed. Then we won't take but a few moments of time, so we can get right into the healing service.

*So Jesus came again into Cana of Galilee, where he made the water wine. And there was a certain nobleman, whose son was...[Sound is distorted-Ed.]*

<sup>47</sup> ...few moments ago or something...Alright, I just wondered if I had took somebody else's text.

<sup>48</sup> Anyhow, He had returned now into, out of, of Galilee where He had performed one miracle. And now He was returning back again. And that miracle He performed then was at the wedding, of course, of Cana, when He had made the water wine. And He was a young man, rather come up with a very poor environment. And today...If Jesus had of never been thought of in the world, He had never been here, and would come on the

scene today, they would probably class it right down with a bunch of fanaticism. Is that right?

<sup>49</sup> Now, remember, there was many, many hundreds Jesus...would pass from it. [Blank spot on tape—Ed.]

<sup>50</sup> Alright, a little later from that, the lady give her place up to two or three people. And then after a while the line come at the end of the service, where it was no more miracles, it was a fast line. And when she seen the great multitude of people, she just absolutely didn't have the heart enough to come anyhow, seeing the rest of them, and her crippled on her foot.

<sup>51</sup> And she said "Lord, I know that that hundred-and-twenty-pound man can't heal people, but I know that Your Angel is there, because Your Words are confirmed." And she said, "I believe You now," and her foot come straight. She raised up and said, "Brother Branham, I don't need my crutch anymore," and laid it down and walked out as good as anybody. Why? She had preferred, she was humble, she was willing to wait, she was willing to do anything. And that's what God respects, is that right? Preferring one another. That's right.

<sup>52</sup> Now this man here, look at him, how humble he was. Said to him...Now, Jesus gave him a rebuke, and said, "Oh well, except you see signs and wonders you won't believe." We're supposed to believe whether we see any signs and wonders at all. Is that right? But, now, watch...He tried him out there.

*The nobleman saith unto him, Sir, come down ere my child die.*

<sup>53</sup> My, what a feeling. Could you imagine your son dying, and coming out to see the man now to pray for the sick.

<sup>54</sup> The man told him, "Well, except you see signs and wonders, you won't believe."

<sup>55</sup> Now look how humble he got. He said, "But Sir, come down or my child will die."

<sup>56</sup> Now watch what Jesus said. Now, He could have went, but He seen the faith. He seen the humility. He seen that the man knew what he was speaking of.

*Jesus saith unto him, Go thy way, thy son liveth.*

<sup>57</sup> Oh my, there you are. "Go thy way, thy son liveth." And the man b-e-l-i-e-v-e-d, he believed. Now, he come for Him to go down to his house to pray for the child, but Jesus didn't go. He said, "Thy son liveth," and the man believed it.

<sup>58</sup> Now, that's what...Now, listen at the rest of the story. The Word that Je-

*...believed the word that Jesus had spoken unto him, and he went his way.*

Holy Ghost, receive it now. For those that are in Christ will God bring with Him, the rest of them will go under the judgment.

<sup>91</sup> If you're not in Christ tonight, hear my words, for only those that are in Christ will go in the rapture.

<sup>92</sup> Tonight, if you're not ready, be prepared...And if you come into the prayer line a sinner, you can...You say, "Can a sinner come?" Yes sir, a sinner can come, but when God touches your body, if you don't, then, come into Christ, look for a worse thing than that to follow you right away.

<sup>93</sup> Here a few weeks ago, a woman came into the line, she was somewhat...The newspapers gave us an awful write-up, about the ambulances blocking the streetcar tracks and things. And the lady, I went to touch her hand. Before I could touch her hand, she said, "I have cancer."

<sup>94</sup> I took hold of her hand, I said, "Not cancer, sister, but you got cancers."

<sup>95</sup> She had around...ten or twelve, and they were hitting from different parts, and my hand swoll quickly, the vibrations running over it. And she said, "Can anything be done for me?"

<sup>96</sup> I said, "If you can believe. But if I should rebuke it and send it away, and if you doubt it, it'll return back. And if you do not serve Christ, then it'll return back." I said, "I perceive that you're not a Christian."

She said, "No, I'm not."

<sup>97</sup> Then when she looked at me in the eye...Might as well tell you this, because many of the people already know it. Sometime when I can catch their eye, that's how I get them in that channel, you see, and then...It's not a mind reading. It's not psychology. If it is, then Paul used it, when he looked upon the man and said, "I perceive you have faith to be healed."

<sup>98</sup> I will grant you this, it is psychology in this way. It's... "Psyche", of course means "mind", and it's the mind of Christ that the human being has the privilege to enter in and know the mind of Christ. Hallelujah! My, what a reality to dwell in the channel of Christ.

<sup>99</sup> We unworthy mortals have been brought in to be sons and daughters of God, to be fellow citizens...Oh my, I get to shouting. I could...Notice, into that realm where even angels can't come. Sure, Angels? Yes, sir. We're sons and daughters; angels is servants. That's right. Servants cannot go where sons and daughters go. They can't enter into that relationship, for they're servants, and we're sons and daughters.

<sup>100</sup> Notice, and this woman, looking at her, I perceived that she was a cigarette smoker. And I told her, I said, "Now, you smoke cigarettes."

She said, "Yeah."

I said, "You forsake them, and you give your heart to Christ."

She said, "What church should I join?"

*Then said Jesus unto him, Except ye see signs and wonders, ye will not believe.*

<sup>83</sup> In other words, give him a rebuke to see if he was able to stand it. Now, you know what would happen in Phoenix tonight if the Master was here and say something or other like that? Why, my, they'd blow up and walk away. "Why, you don't have to come." But that fellow wasn't that kind of a fellow. He was a humble man. The main thing was to get Christ to see his boy. But you see, a people who take the attitude, saying, "Well..." They feel like they'd be preferred before somebody else. They don't get nothing from God. Those who's willing to step back, those who's willing to give, prefer one another, that's the one who gets something from God.

<sup>84</sup> A little lady, here the other night, in a certain meeting, she was back there and she was crippled. She walked on a crutch. And it had come her time, her number was called, and she seen a lady setting back there with a cancer. She said...[Blank spot on tape—Ed.]

<sup>85</sup> And that included Phoenix, Arizona, (That's right.) March the 4th, 1948, that His power is still the same tonight as it was the day that He poured it out upon the church. Then you people who tasted the rims of the golden cup of His blessings, how could you believe anything else but what the Holy Ghost is here tonight to heal everyone or to fill everyone here?

<sup>86</sup> My, if He's the same yesterday, today and forever, His power is the same. He's unlimited, His powers. I could stand here tonight, testimony after testimony, hour after hour of telling you what He's done. But one testimony from Him healing somebody will speak louder than I could've of spoke for fifty years. That's right. Let Him speak and let us be silent. And He can speak.

<sup>87</sup> Now, every one of you is well instructed. You know how this comes. It must be perfect reverence. It must be eyes closed, heads bowed. For it's not, in no way...This is not an arena. And it's the house of God, and it's a place where we should respect Christ.

<sup>88</sup> And then here is something else. If any person that's coming in the prayer line, let me thoroughly warn you. If you're aiming to come in the prayer line, do not come until first you give your heart to Christ. Then, do not stop at that. After you've repented and been baptized, tarry until you have received the baptism of the Spirit.

<sup>89</sup> Friends, I say this reverently, I realize I haven't got long to stay here, none of us has. We're nearing the end. Now, everyone knows that. There's not a person here tonight over fourteen years old but what knows that we're nearing something. And I wish you would listen to this. Surely, if God, by my prayers, will open the eyes of the blind, unstop the ears of the deaf and make the lame walk, surely I ought to know something about what I'm speaking of. We're near the end. That's right.

<sup>90</sup> And you young people, or you old, who's out of Christ. Oh, God help you, friend. Now's the time; this is the hour. If you haven't got the

*And as he was now going down, his servants met him, (and said unto him) and told him, saying, Thy son liveth.*

Listen to this now. Oh my, I like this.

*Then enquired he of them the hour when he began to amend. And they said unto him, Yesterday at the seventh hour the fever left him.*

*So the father knew that it was at the same hour, in the which Jesus said unto him, Thy son liveth: and himself believed (There you are, when it's put together, alright) and his whole house.*

*This is again the second miracle that Jesus did, when he was come out of Judea into Galilee.*

<sup>59</sup> Notice! Now he wanted Him to go with him to pray for his son, and He did not go, but He said, "Thy son liveth," and the man believed it. Now, if the man had not believed it, it would not have been so. But Jesus had already questioned to him and knowed that he had faith enough. Many of you noticed in the meeting, when the line's passing through, once in a while you'll find one that's got faith; you stop for that person just a moment, just enough to firm that faith up just a little, and there it takes a hold. See? If you can get them to believe.

<sup>60</sup> Now the...one of the hardest thing that God has ever had to do, is to get one mortal to believe another. It would be easy if that Angel that spoke to me was standing here on the pulpit tonight, telling you this, why, you'd run up to Him and worship Him. You want to fall down to His feet...He was standing here looking the way that I see Him when He comes; great stern man standing there. I know how I feel.

<sup>61</sup> But friends, I've never done nothing in my life, any miracle, any of these miracles these twenty-one months that I been out, for the thousands of them that's been performed. I've never performed one of them. He is the One Who does that. See? He's the One. I don't have nothing to do with it. He's the One. I'm just a mouthpiece for Him. I just speak what He says. How would I know when people had faith and people who did not have faith? And how would I know what you done ten years ago or twenty years ago? I would not know that. It's God. So the hour has come for the repeat of the Bible and the fulfilling of the Word.

<sup>62</sup> Now, God promised that He was going to send the former rain and a latter rain. And He promised the former and the latter rain in the latter rain, in other words, a double portion. Like the garment of Elisha. When Elijah dropped it, Elisha picked it up and had a double portion. He was a type...as a type of the church and Christ. Christ was taken up, and the same Spirit that was upon Christ is on the church tonight, the Holy Ghost. See? "Nevertheless, if you see me go away," said Elijah. And he took the garment...and struck the Jordan and said, "Let the God of Elijah speak."

<sup>63</sup> Now notice, the church tonight, supposingly...you're supposed to keep your eyes on Christ. Hundred and twenty did, when He was taken

up, and they went into the upper room. You say, “Was that the same spirit was on Christ?”

<sup>64</sup> Woman asked one day said, “Let my son sit at the right—one on the right hand and the left, in Your kingdom.”

<sup>65</sup> He said, “Can you drink the cup that I drink?” That’s persecution, and so forth.

“Yes.”

“Can you be baptized with the baptism I am baptized with?”

<sup>66</sup> She said she could. He admitted that she could. And that baptism was the Holy Ghost. And then, He said, “Yes, but the right and left hand is not Mine to give, but the Father’s.” But notice...[Blank spot on tape—Ed.]

<sup>67</sup> ..?...speaking to Doctor Bosworth a few moments ago, about Saint John 5:19, where He said there, that, when He’d healed the man at the pool and He went up, and the Jews were questioning Him. He said, “Verily, verily, I say unto you, the Son doeth nothing in Himself, but what He sees the Father doing, that doeth He also.” See?

<sup>68</sup> Now notice, He passed by that pool there, where there were probably ten thousand people laying. Now, when the Bible said “great multitudes”, that meant many people, didn’t it? Maybe ten thousand people of lame, blind, halt and all kinds of people laying there: deaf, dumb, lunatic. And He went to a man that had an infirmity for twenty-eight years. And He said, “Sir, would you be made whole?”

<sup>69</sup> And he said, “I have no one to put me in the water and when I’m going to the water...” See, he could walk. “When I am going to the water somebody a little better off than I am steps down before me.”

<sup>70</sup> He said, “Take up your bed and go into your house.” Now, the man never questioned Him, he just obeyed. And obedience is better than sacrifice. Is that right?

<sup>71</sup> He never said, “Well, Who are You to tell me that?” He just obeyed what he was told to do, picked up his bed.

<sup>72</sup> Now, why didn’t He go to some of the blind, and the lame, the halt? Is because...Now, He doesn’t—He didn’t look any different from any other man. He didn’t dress any different from any other man. Now, that’s one...anybody...you can, ministers and so forth, they can dress any way they want to.

<sup>73</sup> Someone was asking here a few days ago. Many of you have heard of Abaick, you know that come over here that time. Well, we been trying to meet each other for some time. We met two days ago in Florida. We put our pictures together and said, “...American ...consults Divine Healing.”

<sup>74</sup> Anyhow, fellow, why, he was a man that had long beard and long hair. So what...that’s his own opinion. That’s perfectly alright, if you want to dress that way or be that way, that’s alright. But that doesn’t make you “yes” or “no”. It’s the condition of your heart before God what

makes you what you are. That’s right.

<sup>75</sup> Now when He passed through, He was just...Jesus, He was just a normal dressed man, and He went through the crowd and He seen that man, not nothing to be conspicuous to look at. He just said, “Would you be made whole?”

He said, “I have no one to put me in the water.”

<sup>76</sup> He said, “Take up your bed and walk.” And he did. And then when He was questioned, then He told them that the Son of Man could do nothing, except what He seen the Father doing before.

<sup>77</sup> Now, here, He come into—to Canaan again, and a certain nobleman’s boy was sick. Now, look, 47th verse:

*When he heard that Jesus was come out of Judea into Galilee, he went unto him, and besought him that he would come down, and heal his son: for he was at the point of death.*

<sup>78</sup> Now, notice, “When he heard...” Notice that 3rd verse there, in the 47th verse: “When he heard.” Jesus was come back into the country where He had performed a miracle. He come to him for his son, for his son was near death. Get it? He knew He could do it, for He had already performed one miracle there. Well, if He performed one miracle, would cause that nobleman to believe that His Word would heal his son, then why can’t we believe when He’s performed hundreds of miracles here before us? You see what I mean?

<sup>79</sup> Notice...How many was here the morning that woman passed away there on the—this Miss Hattie Waldrop here...is that lady here? Miss Hattie in here tonight, Mrs. Waldrop? Here she is, right here, that passed out here, with the cancer of the heart, colon, and liver. She’s living, isn’t she? My, very much, aren’t you sister? There you are. Her doctor’s got the x-rays here and so forth.

<sup>80</sup> Now, here we are coming back tonight, in the same city where the lady that was laying here dead with cancer is alive tonight, and this is the second miracle. Oh my, the second! It’s dozens up on top of dozens of them that’s performed. Is that right?

<sup>81</sup> Now, watch. The nobleman, he brought his son...He came...couldn’t bring his son, but he just come to Him. And he said, “Now, You come down to pray for my son.” Now, watch, he...Faith cometh by hearing. He heard that He done it.
